Welcome to Term 1 - week 2 2018

Welcome back to all members of the school community and a 'special' welcome to all of the new families and teachers who have joined us at TRBPS in 2018.

It was lovely to see all of the very refreshed, excited and happy faces as the year 1-6 children entered the school gates last Wednesday to start their 2018 learning journey. The children went very quietly into the classrooms to meet and greet their 2018 teacher and peers. I spent the morning visiting each classroom to welcome all of the children back to school and to chat about their holidays and expectations for the 2018 school year.

On Monday and Tuesday the staff spent the two days working together on First Aid/CPR professional learning course, planning programs, preparing rooms and revision of administrative and organisational information necessary to keep a big school functioning effectively. We discussed staff roles and responsibilities, DET expectations, student wellbeing and emergency management procedures. We reviewed and prepared the start of the year 'Hit the Road Running Program' which operates in each classroom and specialist sessions for the first 2 weeks of school. This program is designed to welcome the children by establishing the class climate, building community, revisiting school values as well as outlining clear behavioural and learning expectations for the year. We also enjoyed a staff lunch together to get to know all of the new staff and to begin the school year in a happy and positive way.

Enrolments: 638 students started TRBPS for 2018

TRBPS is fortunate to have a very well-organised and professional teaching and non-teaching staff who are most generous with devoting their time to planning purposeful teaching and providing effective learning programs for the students who attend TRBPS. They work as teams to support each other and to create a very positive, happy and safe classroom and school environment to nurture student wellbeing. There is a strong commitment to continued professional learning and advancing teaching skills which transfer positively to our children. A very warm welcome is extended to all of our new teachers for 2018: Mr Brett Dempster, Miss Laura Cecil and Miss Amy Harris (year 1). Mrs Sim Paul (year 2), Miss Christine Turnock (year 3), Ms Hannah Madden (year 4) and Miss Isobel Turner (year 5/6).

Newsletters will still be published fortnightly, on Thursdays through Compass.

Compass

It is imperative that all parents are able to log on to Compass. The portal is the major communication system and will be used for a range of applications for your children. The most recent application is the ability for us to inform parents if their child is absent. This application is an effective safety method to keep the school and parents aware of the student's whereabouts. Attendance rolls are marked by class teachers at the very beginning of the school day. It is therefore necessary for all students to be at school prior to 9am and for parents to indicate through Compass, their child's absence. All absences can be placed on the system before the school day begins. Commencing Term 2 unexplained absences will result in an SMS message being sent to parents.

If you are having trouble logging on to compass please contact the office to renew your password.

Hats are Compulsory Until the end of April

The wearing of a broad brimmed hat is compulsory until the end of April. Please ensure that your child has a hat on a daily basis (regardless of early morning weather conditions). Restrictions will apply to children without a hat in regard to play, physical education and sport.

Working Bee Thank You

The Sunday before school started BaGs held a back to school Working Bee. We would like to thank the following parents and students for working hard on such a very hot Sunday to get the school grounds looking tidy before the first day back:

Bronwyn Dunse, Darius, Zoe and Zac Culvenor, Pete Seddon, Simone, Liam and Dylan Enticott, Stacey Knight,

Mark, Ruby and Marek Arnheim, Ken and Lewis Stewart, and Tim Ellis.

Also, a special thank-you to the Segbedzi family for watering the vegetable garden during the summer holidays.

Robyn, Darius and the Bags team

Welcome to our new Preps for 2018

The preps attended their first day of school last Friday with a staggered entry into each classroom which worked seamlessly. Thank you to our dedicated Prep Teaching Team and ES staff who ensured that this day ran very effectively for all concerned. It was a very exciting time with loads of chatter and activities for the children to enjoy in each classroom and the staff ensured it was a very rewarding experience for all of the parents and the children, who joined TRBPS for their first year of primary schooling. Thank you to our prep parents who left the classrooms after many photos and cuddles and headed to the hall for a special morning tea prepared by the PFA. Thank you to the PFA for organising tea, coffee and scones for the parents to enjoy which assisted the teaching staff to get started with their planned activities.

Thank you to Mrs Marie Chalas and Mrs Deaane O'Brien (Acting Assistant Principal) who also assisted the prep team to ensure that the parents and children were happy and well-supported. As I strolled around the classrooms to meet all of the students, parents were directed to the hall where they could find tissues and support from the PFA. It was a great morning and enjoyed by everyone who attended.

Parents in Buildings

School policy is that parents should not enter school corridors without authorisation. Visitor badges are available from the general office to allow visits to classrooms etc. The Department of Education has asked schools to adopt strategies that assist the security of students and belongings. Your co-operation in adhering to this policy including before and after school is encouraged. As you can understand we want to make sure that your children are safe at all times.

Lost property -Student Wellbeing - building greater responsibility and independence

To assist us in building these wonderful qualities in the children we are requesting that all parents name each article of the school uniform for easy identification. Please ask your child to make sure any articles of clothing removed during the day are put into their school bag or their room boxes located outside of the classrooms (P-4) at each play-time. Lost property is located in cupboards outside the staff toilets in the corridor.

Parents will be able to access these cupboards at the beginning and end of the school day. Please enter from the entrance adjacent to the prep area main gate to collect any articles of lost clothing. We also ask that you are mindful of keeping the cupboards neat and tidy as this area is also a walkway and we want people to be safe from possible trip hazards.

Staff Car Park

Parents are reminded that the staff car park is for staff use only during school hours: 8.45am – 3.45pm. Pedestrian entry or exit through the car park gate is **also not** allowed – it is important to limit the mix of cars and adults/children for safety purposes.

Morning Drop off Zone
No Parking – ‘Kiss and Go’ zone.

No parking

A driver **must not** stop on a length of road or in an area to which a no parking sign applies, unless the driver is dropping off or picking up, passengers or goods.
The driver cannot leave the vehicle unattended unless the driver is within three metres of the vehicle and must move on within two minutes after stopping.
These restrictions are typically used around schools, train stations and other locations where there is a high demand of dropping off and picking up of passengers.

Use of School Crossing Student Safety-Set the example

Parents are strongly encouraged to use the school crossing to provide a role model for all students - many parents have been observed crossing Tucker Road away from the crossing with younger children in hand. No students or parents should ever use the staff car park gate as a point of entry or exit - at all times avoid a mix of cars and children to safeguard our students.

Late Arrival at School

It is NOT okay to be late

All children who arrive at school after the 9:00 am school commencement bell has gone should first report to the general office to complete a late entry notice. They should not go directly to classrooms because in many cases their class group will have commenced specialist classes eg. Art/craft, Phys Ed, Library etc and no children (or teacher) may be in the room. Punctuality is an important parent/child responsibility. Parents/students who are regularly late will be contacted by the school to discuss the issue. A special sitting area will be reserved for late arrivals at the Monday assembly from where they can watch the assembly and avoid class/assembly disruption. Being late regularly will impact on your child's progress and self esteem as they feel very anxious when they have missed the start of the day and the first instructions.

Early Collection from School

These collections should be kept to an absolute minimum. Appointments and other school activities should be made with enough time leeway to allow collection from school between 3.30 and 3.45pm. Collections between 3.00 and 3.30 often mean children miss out on notices being sent home and cause disruption to classroom learning time. General office staff also find the time very demanding when multiple early collections are being requested. If your child needs to be picked during the day, where possible please advise the teacher beforehand and pick up at beginning or end of morning recess or lunchtime.

Collection of Children After School

Parents are reminded that children should have specific instructions as to the arrangements that are to be followed after 3:30 pm re: collection and going home. All children who are not collected by 3:45 pm will be referred to the general office.

No one should ever collect and take home other children without the specific approval of that child's parents.

Each year office staff spend many hours of anxious time tracking down children where these procedures have not been followed so I ask your co-operation in regard to this important health and safety issue.

School Banking

School banking commenced **Tuesday 6th February**. The Banking Co-ordinators need extra volunteers on a Tuesday morning from 9.00am till about 12.00pm. If you can help please contact Jenny Bennett on 0479 154 718

Uniform Shop

The uniform shop will **now open on TUESDAYS (Fortnightly)** commencing Feb 6 afternoons from 3.15 - 4.00pm. Order forms are available from the general office and orders can be filled and returned to your child via the classroom.

Canteen

Please be advised the Canteen menu & prices (yellow copy) that went home this year are incorrect. The prices are correct on QKR. If you require a new copy of the prices they are available from the General Office.

Canteen will be open **Tuesdays** and **Thursdays**. Canteen menus are available from the general office. A Canteen Roster form was sent home via your child's classroom. If anyone can assist the canteen manager on those days, it would be very much appreciated.

Dogs In School Grounds

Parents are reminded that dogs are not allowed in school grounds whilst dropping off or collecting children. All dogs should be on a lead and remain **outside** school grounds at these times. This is a safety measure to protect both students (and dogs) from the excitement of these times. Arrangements can be made with class teachers for a special showing of a pet within the classroom or grounds during school time.

NO dogs are allowed on school grounds during school days and childcare programs 8.30-5.00pm.

Accidents at School

Parents are reminded that the Department does not provide personal accident insurance for parents. Parents and guardians are responsible for paying the cost of medical treatment for injured students, including any transport costs.

Student accident insurance policies are available from some commercial insurers. These cover a range of medical expenses not covered by Medicare or private health insurance. Policies are reasonably low cost.

The Department cannot advise parents/guardians on whether to purchase a student accident policy or which policy to purchase.

Cyclist Supervision/Guidelines

Any students from Year Prep to Year 3 **must be** accompanied by an adult if they ride their bike to school. Students from Year 4 to 6 are allowed to ride to school on their own provided a bicycle permission form has been returned. No student or pre-schooler of any age should ride bikes or scooters within the school grounds - bicycles and scooters need to be walked from gateways to the bike shed and vice versa.

All bikes/scooters are stored in the bike storage area.

Camps, Sports and Excursions Fund

The Camps, Sports and Excursions Fund helps ensure that no student misses out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's background and their achievements.

CSEF will be provided to eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:

- \$125 for primary school students
- \$225 for secondary school students

How to Apply

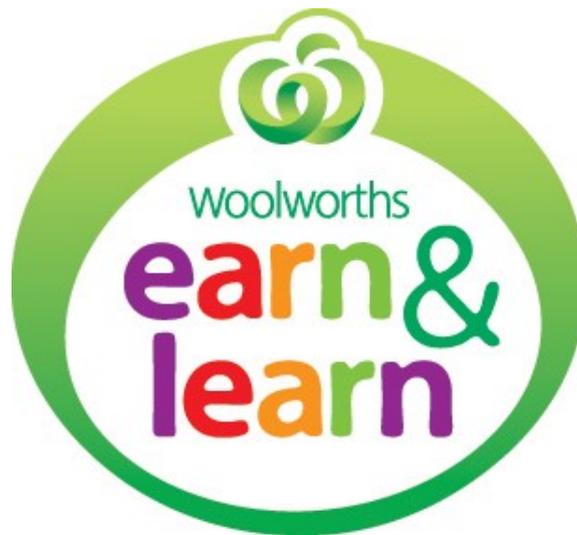

Contact the school office to obtain a CSEF application form or download from the CSEF website

Key Dates

All applicants must complete and lodge their submission by 29th June 2018

Get ready for a Super Savers adventure with School Banking.

CAN

This year in School Banking, your child will join the Dollarsmites on a Super Savers adventure, developing strong savings skills.

School Banking encourages children to learn the value of saving and rewards those who demonstrate a regular savings behaviour.

A chance to win a family trip to Hawaii.

Students who truly are Super Savers will have the chance to win a family trip to Honolulu, Hawaii, staying 7 nights at the Sheraton Waikiki Resort, plus AU\$2,000 spending money.

To enter, students simply make 15 or more School Banking deposits before the end of Term 3 2018, and they will automatically enter the Super Savers Grand Prize Competition.

New Super Savers reward items.

Introducing an exciting new range of reward items with two released every term.

Available in Term 1:

- Twister Power Handball
- Secret Scratch Notepad.

Your child can redeem one of these rewards, while stocks last, after making 10 School Banking deposits.

Remember, with the CommBank Youth app, it's easy for your child to monitor the Dollarsmites tokens they earn when making School Banking deposits and track their savings.

To find out more about School Banking, or explore fun activity sheets for your child, visit commbank.com.au/schoolbanking

Things you should know: The 'Super Savers Grand Prize Competition' (Promotion) is conducted by the Commonwealth Bank of Australia (CBA) ABN 40 123 123 123 of Level 30, 11 Harbour Street, Sydney NSW 2000. The Promotion starts at 00:01:00 on 22/01/18 and closes at 11:59pm AEST on 31/03/18. Entry is open to Australian residents aged 4-13 years who have made 15 separate School Banking deposits into their CommBank 'Youthmate' account during the Promotion period. Eligible entries will be automatically entered into the draw. Maximum 1 entry per person. The first eligible entry randomly drawn will win a trip to Honolulu, Hawaii, USA for two adults and up to three children (aged 17 years and under), including 7 night accommodation and \$2,000 AUD spending money, valued at \$17,999 AUD. Terms and conditions apply. The draw will take place at 12pm AEST on 10/04/18 at the address above. The winner will be notified by telephone and email, and will be published online at commbank.com.au/schoolbanking and in The Australian on 11/04/18, where we must claim the prize by 1pm AEST on 15/04/18 or the prize will be forfeited. The prize will be awarded to the winner's nominated parent or guardian. Conditions apply in accepting the prize. Full terms and conditions available from commbank.com.au/schoolbanking (Notified under NSW Permit No. LTP/17/1831/ACT Permit No. ACT 17/170369 and SA Permit No. 17/1818).

LEGO® EDUCATION PROGRAM 2018

The new program has been designed in two parts:

- **Science and Technology:**
Students explore the world of powered mechanisms and simple machines.
- **Creativity and imagination:**
Students engage with LEGO® pieces to complete puzzles, games and challenges without instructions and become Master Builders!

Each student's uses their own age appropriate LEGO® Education kit to complete his or her challenge (as seen below-gr3-6kit)

As long serving primary school teachers we believe it is important to use the Australian Curriculum as a guideline to the program.

Key STEM Learning Values:

- **Physical Science:** The way objects move depends on a variety of factors including their size and shape: a push or a pull affects how an object moves or changes shape
- **Engineering Principles and systems:** Explore how technologies use forces to create movement in designed solutions
- **Materials and technologies specialisations:** Explore the characteristics and properties of materials and components that are used to create designed solutions

The 9-week course will begin in term 1, on Wednesday the 31st of January, afterschool, at a cost of \$144 per student. The course will be held at Tucker Rd Primary School.

Hi everyone!

Welcome back to the second week of term 1 2018. Just to let all new parents of children who have started prep, in BSC sessions we keep the children at rainbow house until the bell rings and we then take them over to their classrooms. In ASC sessions we pick the prep children up from their classrooms and bring them back to rainbow house. Camp Australia has made changes to the booking systems. I have attached an information sheet that explains this process, feel free to have a read and if you have any questions you can call the Camp Australia customer care service number 1300 105 343. We look forward to seeing everyone this year and welcoming any new children. We have new permanent staff who have started at the service feel free to come and say hello.

Just a few reminders:

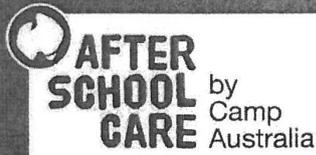

- Camp Australia have made some changes to their pricing so please feel free to ask the Rainbow House staff for more information.
- Term 1 is a Sun Smart term so doesn't forget to bring your hats!
- We have lots of lost property from the holidays so please come in and check if any of it is yours.

Flexible Booking Options Now Available at Camp Australia

At Camp Australia, we understand how busy life can be, and we heard you when you said you needed more flexibility to help with the ups and downs of everyday life. To support parents, we have introduced new Flexible Booking Options which allow parents more flexibility and choice over bookings.

When developing these options, we thought about how all parents using Outside School Hours Care have different needs – so we have created three custom membership options designed to meet the needs of:

- Parents with a predictable, regular schedule who are looking to reduce costs;
- Parents who want peace of mind that they can make changes when they need to;
- Parents who are happy with their current arrangement may receive no changes

In addition to new membership options, we have introduced a new Casual booking option through the Flex-e-Care (e-card), where you can pre-purchase ten Casual sessions at a discounted Casual rate, make bookings up to 2 hours prior to session throughout the term.

How Do I Find Out More About Camp Australia's Flexible Booking Options?

For more information about how these new Flexible Booking Options can benefit you, please visit www.campastralia.com.au/flexibility, or come and chat to the OSHC team.

We are so excited to launch these new booking options at your school – hope to see you in service soon!
