Parent/Carer and Teacher Meetings

Over the last couple of weeks teachers held Parent/Carer teacher meetings which were booked through Compass. If you experienced any difficulty with securing a meeting during the set dates, make sure you contact your teacher to book a future meeting. Please remember these meetings were scheduled for 10 minutes. If you believe that you required more time, please contact your teacher via email or call the office to make an appointment for a longer period of time to meet with your child's class teacher on another occasion. If you missed logging onto Compass, please email or see your child's teacher to book another convenient time to catch up. Teachers are happy to meet with parents outside of these dates around their other school meeting commitments.

Staff Update

Our Assistant Principal, Ms Emma Baldwin will return from Long Service Leave on Monday August 12, we look forward to welcoming her back to TRBPS. During this time, Mrs Deane O'Brien has been working as Acting AP on Wednesday, Thursday and Fridays (when she was not classroom based). I would like to thank Deane for her assistance during this time and her valuable support to the office staff and myself.

School Surveys – Your School, Your Say!

The Parent Opinion Survey is completed annually by the Department of Education and Training and is conducted using a sample of randomly selected parents at every school in Victoria. The survey helps our school gain an understanding of how you view our school climate, teaching and learning, student engagement, and relationships. Our school will use the results to inform school planning and improvement strategies. The 2019 survey is to be once again conducted online by ORIMA Research Pty Ltd and only takes 15 minutes to complete. The survey can be accessed from **Monday July 22 to Sunday August 11 2019 to the selection of parents/carers - randomly generated.** The survey is available in English, Arabic, Vietnamese, Mandarin, Chin (Hakha) and Hindi. Results will be sent back to our school at the end of September. For more information see the DET website - Parent Opinion Survey. You still have a few more days to complete your survey if you have not done so already. Thank you to the parents/carers who have already completed their survey.

PFA Fundraiser – Bogan Bingo

Thank you to everyone who supported this event by dressing up and joining us at Moorabbin Bowling Club on Saturday August 3. A great time was enjoyed by everyone who attended. There were some fabulous prizes at the door and a variety of silent auction items to bid for. The 2 rounds of 'Bingo' were won by the teachers table – great work team!! The compares did a great job in keeping things moving and ensuring that everyone had some fun! A HUGE thank you is extended to PFA for their **incredible effort** in ensuring that the venue looked fabulous and that the night ran very smoothly. In particular, I would like to mention the team who oversaw this PFA event from fruition to its final completion: Briony Loimantra, Carolyn Barton, Britt Weinstein, Yuz Rosenblum, Kaz Steiner, Jacqui Slaughter, Sasha Wein, Emma Green, Michelle Symes, Julie Dickinson & Karen Griffiths.

What an entertaining evening!

Walkathon

At the end of last term we held the annual walkathon. Thank you to everyone who contributed: the volunteers who helped on the day, parents/carers and other family members who walked with the children, PFA for providing icy poles and Jeremy Taylor for organising and overseeing the event. We raised approximately \$7500 so far. Thank you to the entire school community for supporting this event.

Before and After School hours - a growing number of students are coming to school early

Children must be accompanied by an adult if they are at school before 8.45am and after 3.45pm. Teachers are on yard duty from 8.45am and until 3.45pm. After that time, children who have not been picked up are brought to the office for safety reasons. Children need to be booked into Camp Australia even for a casual attendance and you can take up that option if you are running late for pick up from school or have to leave early for work, you do not need to have a permanent booking to do this. You can sign up online with Camp Australia at any time prior to your child attending. This way, we know that the children can be suitably supervised by adults in a safe environment outside of school operating hours.

Dropping and Picking up from our school in Tucker Road and Valerie Street

As we all know it can get quite congested at drop off and pick up times in the nearby streets. I appeal to everyone to think of the **children** first and utmost, especially their 'safety'. You need to adhere to our School's Code of Conduct and the School Values during these often frustrating times. It may be a good idea whilst the weather mild and not raining to park further away and walk children to and from your car, it provides a lovely opportunity to chat about their day at school. **Please** remember that directly outside the front of the school near the pedestrian crossing on Tucker Road, is a '**Kiss and Go**' zone each morning from 8-9.30am and afternoon from 2.30 until 4pm. Please make sure you are only there for 2 minutes and stay in your car to ensure you are not penalised with a fine from the Glen Eira Council Officers. As adults we are the role models for all of the children in our community. Let's work together to ensure our children are safe at all times. Please don't call children across the road as you are double parked. Cross only at the crossings and **please** don't use the 'Staff Only Carpark' as a cut through this is **NOT** a pedestrian walk way. The walkways are marked clearly around our school by the **Yellow** markings.

Concert Reminder

We are having our whole school concert this year held at the Robert Blackwell Hall at Monash University. This event will be held on Tuesday September 10 at 7pm- please add this date to your diary. A notice will be sent out shortly in the school satchels or in your child's bag so make sure you check for this. It will have all the details of the event and how to book your tickets. Reminders will also go out via Compass. What an exciting end for this term!!

Reminder that 'Compass' is our Whole School Communication Portal Notification System

Please note that the Compass Portal System generates notifications that send general information about a posted school community news item. You then use your personal code to access this item for Privacy reasons. Please let the General Administration Office know if for any reasons you are not receiving the alerts/notifications on your Compass app or at your email address, which you have supplied to the school at the time of enrolment (information about Compass is supplied in your enrolment pack). Things constantly change and people change addresses and email addresses too, you therefore need to make sure these are updated on your child's file kept on the DET secured Admin Server in the front office. Teachers often use their edumail address for other contact reasons so please ensure they too have the correct or any updated email address. Please alert both the teacher and the front office if you believe that you are not receiving Compass and/or teacher/class communication. Class representatives collect parent/carer email addresses for social events and fundraising purposes with your personal permission. These school events are also communicated by Flyers or individual notices via school bags, to ensure we have multimodal communication avenues. Please ensure your current PFA class representative has your current email address as well for their communication about reminders and things particular to your child's class. The Newsletter is uploaded to the **School Website** each fortnight and you will also receive a Compass alert that it has been posted.

Hope you have enjoyed a great week!

Kind regards,
Robyn Farnell

Italian Day

Last Thursday 25th of July we celebrated Italian Day. The theme was Italian food and we had fun creating and planning Italian Day posters in Italian Club. On the day, La Comica Variety performed a hilarious show called Mission Gnocchi where Pippo and Pasquale hosted a cooking show. The day was a great success and it was great to see everyone participating.

Tucker Road Girls Football Team

I've had the absolute pleasure of coaching the Tucker Road Titans (so the girls call themselves, and it fits!) Girls Football Team this year again and they have absolutely outdone themselves! This past Monday the girls ventured out to Bonbeach Sporting Complex to play in the Division Girls Football Competition. They faced 14 other schools, playing 5 games against other schools that were equally successful on the day. As the day went by and the going got tough, the Tucker Road girls went into another gear and handily won 5 out of 5 games! Over 9 games so far, the girls have only allowed 1 goal and 1 behind. They show grit, skill, camaraderie and above all else, togetherness. I could not be prouder to call myself their coach! Good luck to the girls in the Region Finals this week! Many thanks to Kaz Steiner for the picture!

HEAD LICE INFORMATION SHEET

Dear Parents,

THERE HAS BEEN A REPORTED CASE OF HEAD LICE WITHIN THE SCHOOL COMMUNITY. IT IS ESSENTIAL THAT PARENTS CHECK THEIR CHILDREN'S HAIR FOR HEAD LICE. PLEASE CONTACT THE SCHOOL OFFICE IF YOUR CHILD HAS HEAD LICE.

Head lice are common in school-aged children and are the most adaptable of creatures. They are extremely contagious and easily spread from child to child and failing to notify the school means that more children are exposed to it. **It is essential that if your child has Head lice then it is your responsibility and duty to contact the school so that other parents can be alerted to check their children's hair.**

IF YOU FOLLOW THESE STEPS IT SHOULD CONTROL THE SPREAD OF HEAD LICE IN YOUR HOME. FURTHER INFORMATION OR DETAILS ABOUT TREATMENTS CAN BE OBTAINED FROM

www.health.vic.gov.au/headlice

No commercial Chemical treatment kills all of the eggs so treatment must involve two applications seven days apart. The purpose of the first treatment is to kill all the head lice; the second treatment is to kill young lice that have hatched over the next six days.

Step 1	Only apply treatments to DRY HAIR.
Step 2	Leave the treatment in the hair for at least 30 minutes.
Step 3	Massage the treatment into the hair really well.
Step 4	Use a long toothed METAL COMB.
Step 5	Use a 50:50 mixture of vinegar and water and apply to the hair after treatment to loosen the nits from the hair.
Step 6	Comb through the hair each night with a conditioner and a metal comb to remove dead lice and eggs.
Step 7	Apply the treatment every 7 days for 3 weeks (on days 1, 8 and 15 and continue if lice are still present).
Step 8	Do not share hats, towels, pillows or brushes.
Step 9	When applying the treatment, thoroughly cover the scalp, back of neck and behind the ears.
Step 10	Encourage all friends and relatives to get treated as well.

We thank you for your assistance

Tucker Road Bentleigh Primary School

It's been a busy term so far...

Grandparent's day was thoroughly enjoyed by all who attended. We had so many helpers for set up, serving and clean up. Thanks so much to you all. The "family movie day" was a huge hit at the end of last term. Thanks to Britt and Kaz for organising the event. The Walkathon was also a wonderful day. Thanks to our lap counters Tennille, Briony, Alex and Janet.

The chocolate fundraiser is well underway. Thanks to all those families who promptly sold or returned their chocolates. This is a major fundraiser for the school and your support is appreciated. Briony, Sasha and Emma have done another outstanding job at running this. Well done team. The entertainment books are selling well. Thank you to Emma McShae for running this and for all the support from the community so far.

Father's Day stock has arrived. Michelle and Adi have ordered some really great items this year. Hope the Dads are getting excited!

The school is in the process of updating the literacy materials for all year levels, with new readers been just purchased for Prep-2. The 3-6's are already making good use of the resources purchased earlier in the year. The school would love some assistance in covering these new readers with contact though. If you can help please join us in contacting some readers on Monday 19th Aug after assembly.

The Bogan bingo night was a huge success! Thanks to Britt, Briony, Carolyn, Yuz, Kaz, Jacqui, Emma, Sasha, Julie, Karen and all the PFA team. We had 220 people attend and the feedback has been that it was an awesome night. The figures are still being tallied but it looks like this year bought in record profit of \$12,000+!! This money will go directly towards science based programs. Thanks to our many sponsors, contributors and helpers!

Remember, this year we are aiming to raise money towards ICT and STEAM programs within the school. The "Makeaspace" room will include science and technology program including robotics, interactive ipad programs and more. Every child will benefit from this initiative so please support our fundraisers.

So, what's up next in term?

Grade 6 movie night- Friday Aug 9th

Contacting readers in the staff room- Monday 19th Aug

Chocolate fundraiser- ongoing

Father's day stall- Friday 30th Aug

PFA members please keep an eye out for communication asking for volunteers for Father's Day stall. Help will be required on Thursday afternoon from 2pm to set up and on Friday 31st Aug from 9am-1pm approx.

The above mentioned events won't be able to take place without a "hand on" approach by us parents. We will do call outs for volunteers closer to the date of each event. We will use email, compass and the Facebook pages and class reps to ask for help. Some assistance will be needed on site and some behind the scenes. Please email either Liz (elizabethdimopoulos@gmail.com) or Briony (bloimaranta@gmail.com) or respond when you see a call out!

"My two boys have taken part in the Beginner ABC program over different years and it has provided them both with an excellent introduction to music. It was a great mix of fun, learning of basic music concepts and experimenting with different instruments. It fostered a real enjoyment of music in both of my boys and inspired them to choose their favourite instrument and continue with their musical learning. The program was very well organised and administered by Cath Dowling and both teachers were very encouraging and nurturing".
