Number: 16

Date 21st September 2017

Welcome to Term 3 week 10 2017

Last day of Term Early Dismissal

Friday September 22nd September - we **finish at 2.30pm**. There will be an Assembly (weather permitting) at 2.15pm.

School will recommence on Monday 9th October. Canteen will be open on the first Tuesday of Term 4. Rainbow House Childcare will operate from 2.30pm on the last day of Term. Please ensure your child is booked in.

School Working Bee September 10

Thank you to the SC BaGs team for organising and overseeing this event and in particular Darius Culvenor as the convenor. The team are very committed to supporting the school grounds and maintenance program and we appreciate their great effort. Thank you also to other families who attended to assist with maintaining our grounds around the school. Everyone worked very hard on the day and the school looked great. Thank you to the following families: Culvenor, Keith Thexton (broader school community volunteer), Arnheim, Goh, Carr, Walton, Dalidakis, Knight, Tripp and Fletcher.

School Concert

What an absolutely fantastic effort from all students and staff with their performances last Tuesday evening (Sept 12). Feedback from the school community has been very positive. The collective feedback was very positive with many families commenting that the concert was very entertaining and the venue was excellent. I would especially like to acknowledge the work of Ms Oro and the School Leaders for hosting our 2017 concert and the work of the dedicated staff at TRBPS for their thorough preparation of the children to produce amazing items for us to enjoy. Thank you to the many staff who worked behind the scenes: the administration staff, prop organisers, costumes, programs, music assistance, choreography, lighting, and sound, student management and scheduling.

I would like to say an extra special thank you to Mr Wilson Young and Ms Yvette Barton Music/Performing Arts team who choreographed and taught dances for many of the performances as well as sourcing graphics and music to accompany the performances. I'd also like to acknowledge the work of Mr Peter Seddon, who worked tirelessly behind the scenes to do a lot of the promotion and concert coordination such as: liaising with the Monash University staff, OHS management, rehearsal and logistic coordination for this year's concert. Thank you also to Mr Borghero who joined us to assist with sound and lighting. The Monash University staff assisted the school to ensure the concert ran smoothly and successfully. Thank you to all of the parents and carers from the school community who attended the 2017 Concert and supported this enjoyable and successful whole school community event.

Term 4 update

I will be on leave for the first week of Term 4 and Mr Ben Moncrief (Assistant Principal of McKinnon Primary School) will be Acting Principal in my absence. Mrs O'Brien and Mrs Chalas will support Ben in this role. Mr Peter Seddon will also be on leave for the first two weeks of next term.

I hope you all enjoy a safe, happy and restful holiday break with your children. Holidays commence at 2.30pm this Friday (September 22). School will resume for term 4 on Monday October 9 with hopefully a whole school assembly on the basketball courts – weather permitting!

Kind regards,

Mrs Robyn Farnell

Principal - TRBPS

Child Safe Standards

With *Child Safe Standards* coming into full effect August 1 2016 for all schools I believe it is timely to add some information regarding the Standards:

Ensuring the safety and wellbeing of all children and young people is our highest priority. We know that schools are safe places for children and that the staff work hard to protect all students from abuse and neglect.

The *Child Safe Standards* (Standards) were published at the start of 2016 and are the result of recommendations from the final report of the Victorian Parliament's *Betrayal of Trust* inquiry. These Standards build on the existing processes and commitment to student safety in schools. They were introduced through Ministerial Order 870 – Child Safe Standards, in January and come into force for all Victorian schools from **August 1 2016**. From that date schools must be fully compliant with the Standards or have a plan in place to be fully compliant. We are working very hard on making sure we are compliant with all of the aspects at TRBPS.

All principals and chairs of school governing bodies received an email from the VRQA on 13 January 2016 outlining expectations for schools and the implementation schedule for the Standards. The VRQA and the Department have been supporting government schools with compliance. As part of our continuing support to schools as they implement and comply with the Standards, a new suite of resources is now available from the 'PROTECT' portal on the Department's website: <http://www.education.vic.gov.au/about/programs/health/protect/Pages/default.aspx?Redirect=1> see the brochure in this newsletter.

Bully Stoppers are working closely in conjunction with the DET and schools to assist with resources for staff and parents/carers of the school community and provide some valuable resources and facts sheets on their site: <http://www.education.vic.gov.au/about/programs/bullystoppers/Pages/parents.aspx>

Another reference worth looking at is Sally Mclean's cyber safety site:

<http://www.cybersafetysolutions.com.au/for-parents.shtml>

Looking through the various resources that are on offer I found this one which I thought was particularly valuable to share with our school community, as young people are quick to join online communities, but they need parental awareness, advice and some supervision. Parents should be aware of the risks.

Please ensure you visit the site for other parent/carer fact sheets on many different topics. I hope you enjoy this snap shot.

What is social networking?

A social network is an online community, often with a common interest. Common social networking sites used by young people include Instagram. These sites allow users to share comments and post photos in a contained environment with the user in control.

Many popular sites are described as 'social networking' but are really best described under other categories. Examples of sites that have social aspects but are not strictly 'social networking' include:

Instagram—a photo sharing application Twitter—a micro blogging site

YouTube—a video sharing site

Tumblr—a blogging site

MSN—an instant messaging program

Skype—a voice over internet protocol (VOIP) service

Online games with social networking components, such as Club Penguin.

What are the risks of social networking?

Social networking can be a lot of fun, but can carry risks, especially for children and young people.

Many social networking sites have age restrictions (usually 13 years) and it is important for parents to understand the site's Terms and Conditions of Use. You don't pick and choose which rules you obey in the real world, don't do it online either. There is a valid and legal reason for online rules. Don't allow children to access prohibited accounts regardless of what you may think. Don't provide excuses for your children. Talk about the rules and why they are important rather than working out a way to circumvent them.

Social networking sites require a large amount of time invested in them, not only to set up, but also to continually check to see that the security/privacy settings are at their highest level. This is particularly important when the account holder is a child. The internet is not a controlled place. Don't let children wander aimlessly online.

Many social networking sites work on 'real name' culture, which means that being truthful in the setting up of an account makes the account safer. You are far better being truthful and then using the security settings to protect your privacy, rather than setting up a fake account, or lying about certain information such as age. Facebook for example has a range of important safety settings as the 'default' when the account holder is 13—17 years. Many parents are misguided and tell their children to set up the account with an older age for 'safety'. This is NOT a guarantee of safety, sets a poor example and puts the child outside the secure part of the site. Remember it is harder to continually ban access after your child has attained the legal age requirement. You are far better to set up an account with your child together, with clear rules and guidelines, rather than have them set one up at a friend's house behind your back.

Social networking is certainly not all bad, although the media can focus on negative aspects. Embrace social technology with your child and ensure that you have an account on all sites your child does.

What are some ways to assist children and young people in social networking?

Please remember that to assist your child to be safe on social networking sites you must:

Ensure that they comply with the age restrictions (DO NOT let them on Facebook under 13 years of age)

Ensure that they understand how the privacy and security settings work

Ensure that they can change their passwords and they know how to report a problem

Ensure that they understand the house 'rules' about where they can go, who they talk to and what they post

Ensure that they know where to go if they have an online issue

Set up an account yourself and be your child's friend (this is not going to ensure safety but is part of what is expected of you as a parent)

Know your child's password

Have house rules about what your child can post and when they can add new 'friends' (must ask you first).

Where can I find out more about specific social media sites?

Many social networking sites create their own help guides. These guides provide tips and advice specifically for parents. You can usually download these guides from the site's Help or Support section, for example:

[Parent's Guide to Instagram](#)

[Help Your Teens Play it Safe - Facebook](#)

[Control Your Experience - Twitter](#)

[Parent's Guide to Tumblr](#)

The information above was sourced from the DET and Bully Stoppers website at:

<http://www.education.vic.gov.au/about/programs/bullystoppers/Pages/advice-social-media.aspx>

Holiday Security

Parents are encouraged to keep a close eye on the school grounds and buildings during the holiday period. Report any suspicious behavior to the police or Departmental security.

- Caulfield Police 9534 9500
- Department of Education (Emergency Management) 9589 6266

It is most important for the school community to be proactive in this regard.

Important Curriculum Day Notice (Monday 6th November)

Monday 6th November is our last Curriculum Day for the year and children are not required at school.

There will be **NO Rainbow House** available on curriculum day. Please make sure you make alternate arrangements for your child/ren on this day.

Changes to OSHC fees – Rainbow House

Just a quick message to let the school community know that Rainbow House – Camp Australia - fees will be increasing from the 9th of October. They will be sending out more information about this in their newsletter or you can check their website at www.campastralia.com.au

Hats are compulsory from the commencement of September

Our SunSmart policy states that hats need to be brought to school and worn from September through to the end of April – although the weather hasn't presented, Spring is officially with us. Please re-visit the home routines and arrangements of your child/ren ensuring they have their hat at school every day from now until the end of the year. A reminder that caps and sun visors are not SunSmart approved hats.

Students nominated for the **TRBPS Values Award** for the **11th September**

CHILDREN NOT ATTENDING TUCKER ROAD IN 2018

Successful planning for the coming school year is very dependant on being able to accurately assess the school enrolment. Parents of children from Prep to Year 5 are asked to complete the form below if it is known that they **will not** be attending Tucker Road in 2018.

Please return the form to the General Office by Friday 20th October. All responses will be treated as confidential.

✂ -----

NON ATTENDANCE IN 2018

My child.....will not be attending Tucker Road in the year 2018.

Name of Parent:.....

Signature:.....

**Please return to the General Office
By Friday 20th October 2017**

Tucker Rd Athletics

The last 2 weeks have seen the Tucker Rd children involved in 2 big athletics days. Firstly we had the completion of our House Sports (held over from term 1 due to wet weather). This time it was field events where everyone from Gr3-6 competed in 3 of high jump, long jump, triple jump, shot put and discus. There were some excellent results by all with Lawson ultimately winning the 2017 House Cup. many thanks to all the teachers and parents who helped to make this day the success it was.

Following on was the Moorabbin District athletics meet where 70 children went to Duncan McKinnon oval to compete in both field and track events. On a very cold and windy day, whilst we did not win the trophy our students had many Personal Bests, challenging the children from the 7 other Moorabbin schools all the way.

Tucker Rd now has 15 children who won their way through to the Kingston Division athletics meet in October and we wish them all the best as the competition now becomes very challenging.

MINI FETE NEWS!

Do you have any unwanted, pre-loved books or toys?
Tucker Road's Mini Fete is fast approaching and the year 5's
NEED YOUR HELP!

The Year 5's will be running toy and book stalls. However we can't run these stalls without your wonderful donations. So if you've had a spring clean recently and looking to offload some of those unwanted, pre-loved books or toys, please send them our way! Or, if haven't had a chance to have a spring clean yet we are taking donations up until Monday 13th November. Please drop off all donations to the SOL Centre.

Thank you in advance!

The Grade 5 Teams

PROTECT

Everyone has the right to be safe and be protected from abuse.

No one should behave in a way that makes you feel unsafe or afraid, including anyone in your family, anyone at school or anywhere else in the community.

Tell a teacher or any adult at your school if you feel unsafe.

It's everyone's responsibility. Adults at school must listen and respond to concerns about child abuse.

If you suspect abuse of any child or young person, you have a responsibility to report it, even if you are not sure.

2017 Epidemic Thunderstorm Asthma Campaign

Newsletter template – for public audience (261 words)

Protect yourself this pollen season – Managing asthma and allergies matters

Grass pollen season brings an increase in asthma and hay fever. It also brings the chance of thunderstorm asthma. For people with asthma or hay fever, especially those who experience wheezing or coughing with their hay fever, thunderstorm asthma can be sudden, serious and even life threatening.

As grass pollen season approaches, here are some things you can do to prepare for pollen season:

- **If you've ever had asthma** – talk to your doctor about what you can do to help protect yourself from the risk of thunderstorm asthma this pollen season. Remember taking an asthma preventer properly and regularly is key to preventing asthma, including thunderstorm asthma.
- **If you have hay fever** – see your pharmacist or doctor for a hay fever treatment plan and check if you should have an asthma reliever puffer – which is available from a pharmacy without a prescription.
- **If you have hay fever, and especially if you experience wheezing and coughing with your hay fever**, it is important to make sure you don't also have asthma. Speak to your doctor today about whether or not you might have asthma.
- It's important for everyone in the community to know the **four steps of asthma first aid** so they know what to do if they or someone is having an asthma attack.
- And finally, **where possible avoid being outside during thunderstorms** from October through December – especially in the wind gusts that come before the storm. Go inside and close your doors and windows. If you have your air conditioning on, turn it onto recirculate.

For more information about thunderstorm asthma and how to protect yourself, visit www.betterhealth.vic.gov.au

PROTECT YOURSELF FROM THUNDERSTORM ASTHMA

1

Speak to your doctor or pharmacist about what you can do to protect yourself this pollen season.

2

Learn the 4 steps of asthma first aid.

3

Be aware of thunderstorm asthma forecasts during pollen season.

Protect yourself this pollen season.
Managing asthma and allergies matters.
Visit betterhealth.vic.gov.au for more information.
Authorised and published by the Victorian Government, 1 Treasury Place, Melbourne

4 STEPS OF ASTHMA FIRST AID

1

Sit the person upright

2

Give **4** separate puffs of blue/grey reliever puffer

- Shake puffer
- Put **1** puff into spacer
- Take **4** breaths from spacer

Repeat until **4** puffs have been taken

Remember: **shake, 1 puff, 4 breaths**

OR give 2 separate doses of a Bricanyl inhaler (age 6 & over) or a Symbicort inhaler (over 12)

3

Wait **4** minutes

If there is no improvement, give **4** more separate puffs of blue/grey reliever as above

OR give 1 more dose of Bricanyl or Symbicort inhaler

4

If there is still no improvement dial Triple Zero (000) for an ambulance

Keep giving **4** separate puffs every 4 minutes until emergency assistance arrives

OR 1 dose of Bricanyl or Symbicort every 4 minutes – up to 3 more doses of Symbicort

Call emergency assistance immediately. Dial Triple Zero (000):

- If the person is not breathing.
- If the person's asthma suddenly becomes worse, or is not improving.
- If the person is having an asthma attack and a reliever is not available.
- If you are not sure if it's asthma.
- If the person is known to have anaphylaxis – follow their Anaphylaxis Action Plan, then give Asthma First Aid. Blue/grey reliever medication is unlikely to harm, even if the person does not have asthma.

Protect yourself this pollen season.
Managing asthma and allergies matters.
Visit betterhealth.vic.gov.au or call 1800ASTHMA (1800 278 462) for more information.

School readiness — transition to school

GLEN EIRA
CITY COUNCIL

Presented by Early Life Foundation for the parents and guardians of young children.

Starting school can be an exciting and challenging time for you and your child. The transition to school starts well before the first day of school. Early Life Foundations will facilitate this presentation on the transition from preschool to primary school and discuss strategies, tools and indicators for parents to help prepare children for this change.

The Early Life Foundations team includes many experienced professionals and consultants with particular expertise in early childhood development, psychology, parenting and education. The team reflects a range of expertise and experience and provides a range of services to parents, educators, government, corporate bodies and organisations. Under the direction of Founding Director Kathy Walker and Managing Director Shona Bass, the consultancy has developed a national and international reputation for providing high quality support and guidance to organisations, schools and families across Australia.

South East Warriors are the newest club playing within the McKinnon Basketball Association. Beginning in the winter 2017 season, the Warriors currently have 17 boys and girls teams playing in a range of age groups and divisions.

The Warriors are run by a group of dedicated parent volunteers who all have children playing within the club. The Warriors employ an experienced Basketball Coordinator who has played and coached at a high level and works with coaches and players to ensure that the highest quality training is provided to all members.

To register for the summer season of basketball, please visit our website:

www.southeastwarriors.sportingpulse.net

or find us on facebook:

<https://www.facebook.com/southeastwarriors/>

To find out more about joining the club as a player for the summer season, please contact our Club Manager, Lana Todes: southeastwarriorsenquiries@outlook.com
