DET Professional Practice Days for Teachers

In the Education State, we achieve excellence by consistently focusing on improving the achievements of learners across Victoria, whether it is through improving the quality of educational services or changing the way we teach. The most important thing we can do to improve student outcomes is to develop and improve the skills of our teachers.

The Victorian Government will continue to provide opportunities to develop professional, passionate teachers and principals and equip them with the right knowledge and skills to meet the needs of their students. To ensure we support the learning and development of not only our students, but our teachers too; we are committed to providing professional development opportunities for our teacher workforce.

During 2019, teachers will spend four days per year further developing their skills in areas that are aligned to the school priorities School Strategic Plan and Annual Implementation Plan. Students will directly benefit from these improvements in their daily learning.

The Professional Practice Days are part of the Victorian Government Schools Agreement (VSGA) 2017. Each full time teacher is entitled to one day per term (four days per year), to focus on the improved delivery of high quality teaching and learning. We know children sometimes find it challenging when their teacher is away from the classroom. Equally, it's important that teachers take the time to focus on improving their professional practice because their learning directly impacts on your child's learning experience. The learning program does not change on these days to ensure that the children's education continues as usual. The class teacher provides their program so the replacement teacher continues with the school program as planned. We are scheduling the days ahead of time and have planned the days so that there is minimal impact. If you have any questions, please do not hesitate to contact Emma or Robyn.

The Child Safe Standards

The aim of the child safe standards is to drive continuous improvement so that protecting children from abuse is embedded in everyday thinking and practice of leaders, staff and volunteers. The focus of the standards is on raising awareness and helping organisations to create and maintain child safe environments through education and training.

The Child Safe Standards have been introduced in response to the recommendations of the Victorian Parliamentary Inquiry into the Handling of Child Abuse by Religious and Other Non-Government Organisations, which found that more must be done to prevent and respond to child abuse. The standards apply to all organisations that provide services for children, including early childhood services.

Creating a child safe organisation

In complying with the child safe standards, schools must include the following principles as part of each standard:

- promoting the cultural safety of Aboriginal children
- promoting the cultural safety of children from culturally and/or linguistically diverse backgrounds
- promoting the safety of children with a disability.

To create and maintain a child safe organisation, an early childhood service must have in place:

Standard 1: Strategies to embed an organisational culture of child safety, including through effective leadership arrangements

Standard 2: A child safe policy or statement of commitment to child safety

Standard 3: A code of conduct that establishes clear expectations for appropriate behaviour with children

Standard 4: Screening, supervision, training and other human resources practices that reduce the risk of child abuse by new and existing personnel

Standard 5: Processes for responding to and reporting suspected child abuse

Standard 6: Strategies to identify and reduce or remove risks of child abuse

Standard 7: Strategies to promote the participation and empowerment of children.

The National Quality Framework already requires schools to meet many aspects of the child safe standards. Services are encouraged to review their policies, procedures and practices including their current child safe environment and staffing policies and procedures to ensure they meet the child safe standards.

The Department of Education and Training has also developed [Frequently Asked Questions \(FAQs\)](#) to assist services.

PROTECT - Early childhood guidance

Further information on the standards, including a toolkit, is available on [Department of Health and Human Services](#) website.

At Tucker Road Bentleigh PS we have a commitment to Child Safe Standards Statement that is required to be signed by all staff and providers at the time of commencing work at our school. Along with a Working with Children Check. All parent/carer helpers who intend on assisting in classrooms or on excursions will be asked to sign this too.

National Day of Action to say- Bullying - No way!

Friday March 15 2019 is **National Day of Action** against Bullying and Violence which is aimed at bringing school communities together to help find workable solutions that address bullying and violence. Schools can stand united in their communities to say 'NO WAY' to Bullying and violence and to advocate that this behaviour is unacceptable - see the website for more information: www.bullyingnoway.gov.au

At TRBPS we have signed up to the website as an official National Day of Action school to show that we are committed to highlighting the importance that all students have the right to feel safe and to feel respected, as well as to empower our students and others in the community, to speak up and say 'NO' to bullying or violence at schools or elsewhere in the community. We intend to celebrate and communicate this message loudly at TRBPS.

Teachers and children will be involved in activities that will endeavour to empower children to stand up to bullies, to understand how to be a caring peer and to say 'NO' to Bullying and violence as well as how to say 'NO' to being a bystander. We want the children to know it is definitely best to tell someone and particularly an adult if this is happening to them or others. The information sheet for parents/carers will help you to know how to assist your child at home and help them feel confident to come forward to share any information about bullying or violence at school or elsewhere in the community!

District Swimming Sports

TRBPS students participated in the District Swimming competition on Tuesday afternoon at Carnegie pool. It was fabulous for Emma and I to go and watch for a while and to speak with the children and see their smiling faces of pure joy as they proudly delivered their best effort for every swim race. The children won many ribbons; many first, second and third ribbons were proudly on display. The children could not stop smiling as they proudly supported each other and cheered for every child swimming.

I would like to thank all the children who participated in this event for their fabulous effort and the parents/carers who supported the students and made sure they had drinks, food, hats, sunscreen and TLC. Thank you to Mr Taylor and Mrs Wiltshire who supported the children and worked hard organising and assisting at this event. A great effort by all! We are very proud of all of the students who trained and gave their best at the trials and the District swimming sports! Some children will now go on to represent our district at the Regional Swimming Sports. We wish them all the very best at this next swimming event.

Nude Food Day

Nude Food Day took place on Friday 1st March. Our aim is to eliminate rubbish across the school and reduce the amount of times per week our school rubbish skip has to be emptied. Supported by Kim Aitken, the event is at the forefront of the minds of students at Tucker Road who are very conscious of the environment and what they can do to make a difference. Georgia, the Sustainability Education Officer from Glen Eira Council came along to support our school's effort. This year was a great success with the highest amount of rubbish being collected by a class totalling 7 pieces. Last year the highest was 21. Well done to everyone for the reduction of litter within our school community.

"I think if we had Nude Food all the time it would reduce the amount of litter in our school." Max 5/6K

"Nude food means we are helping the environment by not leaving any rubbish around and that means it won't go into the sea." Liron 5/6K

"I do Nude Food every day because it's better for the environment. My lunchbox is in sections so I don't bring rubbish to school. I wouldn't like it in the future for animals to be extinct because of rubbish which is why I try to use containers everyday." Darcy 5/6K

The Presentation of the Annual Report to the School Community (Change of date)

The Annual Report to the School Community (replacing the AGM) will now be held on **Tuesday May 28 at 6.30 pm**. After the presentation of the Annual Report to the School Community the School Council will meet at 7pm. Please note that this change in date is due to DET releasing a new process for completing and ratifying the Annual Report this year. Anyone from our school community who would like to attend the presentation of the Annual Report at 6.30pm is most welcome. The presentation will be held at 6.30pm in the staffroom. Please RSVP at the office before May 24, so that we can gauge the number of attendees.

School Polices

We have updated two school policies, Communication with School Staff Policy and Complaints Policy. These policies are included in this newsletter, all other school polices can be accessed on the Compass Portal under School Resources.

When your child is absent from school

When your child is absent from school The Education Department requires a written note advising why your child was away from school. This note needs to be given to the teacher when they return. Parents who ring the school still need to send a written note with their child, or if you are familiar with Compass you can record your child's absence directly on the APP.

Safety for children exiting classrooms after school

We ask that parents keep the classroom doorways and ramp areas clear at pick up time so that the children can exit from their classrooms safely.

Parking cars in local streets around the school

A reminder to please respect our neighbours when parking in local streets. Please do not park over driveways. Local community members need access in and out of their homes.

Dogs on School Grounds

Parents are reminded that dogs are **NOT** allowed in the school grounds whilst dropping off or collecting children. All dogs should be on a lead and remain **OUTSIDE** school grounds at these times. This is a safety measure to protect both students (and dogs) from the excitement of these times. Arrangements can be made with class teachers for a special showing of a pet within the classroom or grounds during school time.

NO dogs are allowed on school grounds during school days and childcare programs 8.30-6.00pm.

Have a fabulous weekend!

Kind regards,

Robyn and Emma

THE PATCH

To all at TRBPS

The Patch is needing help. I only work Tuesday, Wednesday and Friday and our Pumpkin Patch needs watering on Monday's and Wednesday's, plus our seedlings in The Patch. If you can help out on either of those mornings please call me on 0414812574 after 4.30pm would be best.

A HUGE Thank you to Diane for helping up to now.

WORKING BEE

Sunday 17th March

Our first community working bee will be held on Sunday 17th March. It will commence at 9.30 am and conclude at 11.30am. Your attendance at this working bee would be greatly appreciated. A flyer will go home closer to the day with a list of jobs to be completed. Many hands make light work and also saves the school a lot of money in maintenance. This money can then be re-directed to more important projects.

Camps, Sports and Excursions Fund

The Camps, Sports and Excursions Fund helps ensure that no student misses out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's background and their achievements.

CSEF will be provided to eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:

- \$125 for primary school students
- \$225 for secondary school students

Parents And Friends Association

AGM - 12th March 7pm School Hall

After 4 years as PFA President - it is time for me to hand over to a new generation of enthusiastic community minded TRBPS parents. It is a bitter sweet time for me. I am excited to see what the future holds and all the new initiatives that unfold for TRBPS and the PFA. I am also a little sad as my time comes to an end. With twins in Grade 6 - I hand over a PFA that is much changed from the one I headed up back in 2015. I am extremely proud of all that has been achieved in the last 4 years. The school and its community has changed considerably, from a "new" Principal to a demographic that has evolved predominantly as dual income. Times have changed! And the PFA is always looking at changing with it - one thing the PFA has done under my guidance is change! And further change is necessary.

The PFA has raised almost \$120,000 !!! In the last 4 years. We now raise double the amount annually - we are concentrating on fewer, more profitable fundraising events whilst maintaining our core community activities. In particular, the last 4 years we have raised money towards:

- Bingo/Trivia Nights
- Cookbook "Our Family Tucker"
- Cyber Safety
- Resilience Project
- Uniform Shop
- Shade Sails, Ukeles, SOL Centre Table and Chairs, Gymnasium Audio Visual Equipment, Trophy's and Awards
- Prep Hats, Satchels etc....

We are looking for inspiration, innovation and initiatives to take the PFA to the next level as our school grows.

If you are keen to contribute to the schools future goals - your ideas and skills are welcome and invaluable. All whilst meeting parents from across the school!

Notice of AGM - 12th March 7pm - School Hall

President	Vice President	Secretary	Vice Secretary
Treasurer	Community Care Coordinator		

ALL positions are open and ready for an enthusiastic team to lead Tucker Road Bentleighs community and fundraising to a new direction and level. Is this you? Things "don't just happen" at Tucker Rd, they require an energetic and passionate team of parents/carers to make a difference. Now that you have all seen what is possible and what fun our events are - now is the time to help keep them going. And do even better! WE NEED YOU! Positions up for grabs but are not limited to what is set out below: Membership Forms, Nomination Forms and Position Descriptions are available on our Website or email:

pfasecretary1@gmail.com

We need you to attend our AGM to affect change, vote and make a difference.

In order to continue to foster our community involvement, the PFA structure our volunteering via a "Pay It Forward/Pay It Back model:

Message for All Tucker Road Bentleigh Primary School Volunteers

ALL members of the community acting in a voluntary capacity during school operations in any way will require a Volunteer Working with Children Check.

Regardless of the role, any parent wanting assist at school MUST have acquired a Volunteer Working with Children Check (WCC) and had a copy of your WWC card taken by the school office.

We also require that all adults working with children while on the premises of Tucker Road Bentleigh Primary School must read, sign, acknowledge and act in accordance with the following Child Safe Standards Code of Conduct which is available from the general office. Only adults who have signed all sections will be able to participate in child centre activities.

Members of the community who have a current Victorian Institute of Teaching registration can use this as it has a police check component.

Community Members Who DO NOT Have a Current WWC

The process of acquiring the WCC is online at <http://www.workingwithchildren.vic.gov.au/>

Details you will require about TRBPS are –

Organisation - Tucker Road Bentleigh Primary School

Postal Address - P.O. Box 1341, Moorabbin VIC 3189

Phone Number – 0395572044

Organisational Code – 44 Educational – State schools including primary, secondary, technical and special

There is no cost for acquiring a Volunteer WWC – **DO NOT MAKE A PAYMENT** – ensure you select Volunteer WWC.

The lodging of the Volunteer WWC must be done in person at a Post Office. Applicants will need a passport photo (this can be taken at the Post Office) and proof of identity as well as the print out of their online application summary.

Community Members Who DO Have a Current WWC

Please ensure you have Tucker Road Bentleigh Primary School as a listed organisation on the Working with Children Check Victoria website.

Communication with School Staff Policy

PURPOSE

This policy explains how TRBPS proposes to manage common enquiries from parents and carers.

SCOPE

This policy applies to school staff, and all parents and carers in our community.

POLICY

Tucker Road Bentleigh Primary School understands the importance of providing helpful and timely responses to common enquiries from parents and carers. To ensure that members of our school community are directed to the most appropriate person to assist them, the information below outlines key contacts for common queries:

- to report a student absence, please contact the school either by phone (03 9557 2044) or through Compass system or school email: tucker.rd.bentleigh.ps@edumail.vic.gov.au
- to report any urgent issues relating to a student on a particular day, please contact the front office on 03 9557 2044
- to discuss a student's academic progress, health or wellbeing, please contact your class teacher or the year level Team Leader through the school office phone or through Compass email system.
- for enquiries regarding camps and excursions, please contact the year level Team Leaders through the front office, school email or Compass email system
- to make a complaint, please contact the [Principal/Assistant Principal] via the office or through the school email. Please also refer to our Complaints policy on the school website: www.tucker-road.vic.edu.au
- to report a potential hazard or incident on the school site, please contact the office directly on 03 9557 2044
- for parent payments, please contact the school business manager through the front office, school email or Compass email system (above addresses and numbers)
- for all other enquiries, please contact our Office on the numbers listed above.

School staff will do our best to respond to general queries as soon as possible and ask that you allow us [2 – 3 working days] to provide you with a detailed response. We will endeavour to respond to urgent matters within [24 hours] where possible.

Requests for information

Parents and carers are generally entitled to information ordinarily provided to parents, including school reports and newsletters.

Parents and carers seeking information that is not ordinarily provided to parents are encouraged to apply for access through the Freedom of Information process, or, if the information is sought for use in court proceedings, by issuing a subpoena.

Freedom of Information requests should be directed to:

- Manager – Freedom of Information Unit
Department of Education and Training
2 Treasury Place
EAST MELBOURNE VIC 3002
03 9637 3134
foi@edumail.vic.gov.au

REVIEW CYCLE

This policy was last updated on May 2018 and is scheduled for review in May 2021.

Complaints Policy

Purpose

The purpose of this policy is to:

- provide an outline of the complaints process at Tucker Road Bentleigh Primary School so that parents and members of the community are informed of how they can raise complaints or concerns about issues arising at our school
- ensure that all complaints regarding Tucker Road Bentleigh Primary School are managed in a timely, effective, fair and respectful manner.

Scope

This policy relates to complaints brought by parents, carers, students or members of our school community and applies to all matters relating to our school. In some limited instances, we may need to refer the complainant to another Department of Education and Training process where there are different mechanisms in place to review certain decisions, for example, expulsion appeals.

Policy

Tucker Road Bentleigh PS welcomes feedback, both positive and negative, and is committed to continuous improvement. We value open communication with our families and are committed to understanding complaints and addressing them appropriately. We recognise that the complaints process provides an important opportunity for reflection and learning

We value and encourage open and positive relationships with our school community. We understand that it is in the best interests of students for there to be a trusting relationship between families and our school.

When addressing a complaint, it is expected that all parties will:

- ✓ raise and discuss issues in a courteous and respectful manner
- ✓ acknowledge that the goal is to achieve an outcome that is in the affected student's best interests and acceptable to all parties
- ✓ act in good faith and respect the privacy and confidentiality of those involved, as appropriate
- ✓ recognise that all parties, including the broader school community, have rights and responsibilities that must be balanced
- ✓ recognise that schools and the Department may be subject to legal constraints on their ability to act or disclose information in some circumstances.

Preparation for raising a concern or complaint

- ✓ Tucker Road Bentleigh Primary School encourages parents, carers or members of the community who may wish to submit a complaint to:
- ✓ carefully consider the issues you would like to discuss
- ✓ remember you may not have all the facts relating to the issues that you want to raise
- ✓ think about how the matter could be resolved
- ✓ be informed by checking the policies and guidelines set by the Department and Tucker Road Bentleigh Primary School (see "Further Information and Resources" section below).

Complaints process

Tucker Road Bentleigh Primary School is always happy to discuss with parents/carers and community members any concerns that they may have. Concerns in the first instance should be directed to your child's teacher, Year Level Team Leaders, Assistant Principal or Principal. Where possible, school staff will work with you to ensure that your concerns are appropriately addressed.

Where concerns cannot be resolved in this way, parents or community members may wish to make a formal complaint to the Principal or Assistant Principal. If you would like to make a formal complaint, in most cases, depending on the nature of the complaint raised, our school will first seek to understand the issues and will then convene a resolution meeting with the aim of resolving the complaint together.

The following process will apply:

Complaint received: Please either email, telephone or arrange a meeting through the front office with the Assistant Principal or Principal, to outline your complaint so that we can fully understand what the issues are. We can discuss your complaint in a way that is convenient for you either in person or over the phone.

Information gathering: Depending on the issues raised in the complaint, the Principal, Assistant Principal or nominee may need to gather further information to properly understand the situation. This process may also involve speaking to others to obtain details about the situation or the concerns raised.

Response: Where possible, a resolution meeting will be arranged with the Principal /Principal Assistant to discuss the complaint with the objective of reaching a resolution satisfactory to all parties. If after the resolution meeting we are unable to resolve the complaint together, we will work with you to produce a written summary of the complaint in the event you would like to take further action about it. In some circumstances, the Principal may determine that a resolution meeting would not be appropriate. In this situation, a response to the complaint will be provided in writing.

Timelines: Tucker Road Bentleigh Primary School will acknowledge receipt of your complaint as soon as possible (usually within 48 hours) and will seek to resolve complaints in a timely manner. Depending on the complexity of the complaint, we may need some time to gather enough information to fully understand the circumstances of your complaint. We will endeavour to complete any necessary information gathering and hold a resolution meeting where appropriate within 10 working days of the complaint being raised. In situations where further time is required, Tucker Road Bentleigh Primary School will consult with you and discuss any interim solutions to the dispute that can be put in place.

Resolution: Where appropriate, Tucker Road Bentleigh Primary School may seek to resolve a complaint by:

- ✓ an apology or expression of regret
- ✓ a change of decision
- ✓ a change of policy, procedure or practice
- ✓ offering the opportunity for student counselling or other support
- ✓ other actions consistent with school values that are intended to support the student, parent and school relationship, engagement, and participation in the school community.

In some circumstances, Tucker Road Bentleigh Primary School may also ask you to attend a meeting with an independent third party, or participate in a mediation with an accredited mediator to assist in the resolution of the dispute.

Escalation: If a parent or community member is not satisfied that their complaint has been resolved by the school, or if their complaint is about the Principal, then the complaint should be referred to the South Eastern Victoria Region by contacting: 03 8765 5600

Tucker Road Bentleigh Primary School may also refer a complaint to South Eastern Victoria Region if we believe that we have done all we can to address the complaint.

Review period

This policy was last updated on May 2018 and is scheduled for review on May 2021.

Growing up Online:

An informative & entertaining session for Parents and carers is delivered with Susan's famous 'no nonsense' approach & will cover the positive benefits of technology as well as what parents need to be aware of:-

- ❖ What are kids doing online – The popular social networking sites and apps such as KiK, Musical.ly and Instagram & Yellow. What they are, what are the legal ages to use them & why these rules should be obeyed? The difference between an 'online friend' and a 'stranger'.
- ❖ Online Grooming – What is it and when/how does it occur? What are the warning signs & what to do if you suspect this is happening to your child.
- ❖ Cyberbullying - What it is, where it happens, what it looks like, how to prevent and what to do if it occurs. Also the legal consequences and the possible criminal charges.
- ❖ 'Sexting' – the taking and sending of explicit images...what are the REAL consequences. (Primary school kids to).
- ❖ Potential dangers and safety tips – how to assist the children in your care to stay safe online via parental controls and restriction passcodes
- ❖ Problematic Internet use and gaming issues.
- ❖ Office of the eSafety Commissioner – Role, Resources & Reporting.
- ❖ Be confident in setting rules and boundaries around Internet use in the home. It's OK to say NO!
- ❖ The session will conclude with time for Questions.

Susan Mclean is Australia's foremost expert in the area of Cybersafety and young people. She is a mother of three and was the first Victorian Police Officer appointed to a position involving Cybersafety and young people. She took her first report of cyberbullying in 1994 and since then she has conducted extensive research and has completed advanced training in this area in both the USA and UK and is a sought after presenter and advisor to Schools, elite sporting bodies such as the AFL, GP's, and both State and Federal Governments. She has authored resources for the Victorian DET, writes and reviews school Policy, provides crisis management/advice to schools and is afforded 'expert' status on the Safer Internet Programme Data Base. She is also a member of the Australian Government's Cybersafety working group and a published author. Her book 'Sext's Texts & Selfies', is the definitive parents' guide to helping their children stay safe online.

What Susan doesn't know about Cybersafety is not worth knowing! She is absolutely brilliant and her presentations are dynamic and entertaining. She has the unique ability to connect with each audience from young people to adults.

Treating and controlling headlice

health

While children are at school many families will have contact with head lice. The information contained here will help you treat and control head lice.

Catching head lice

Head lice have been around for many thousands of years. Anyone can get head lice.

Head lice are small, wingless, blood sucking insects. Their colour varies from whitish-brown to reddish-brown. Head lice only survive on humans. If isolated from the head they die very quickly (usually within 24 hours).

People get head lice from direct hair to hair contact with another person who has head lice. This can happen when people play, cuddle or work closely together.

Head lice do not have wings or jumping legs so they cannot fly or jump from head to head. They can only crawl.

Finding head lice

Many lice do not cause an itch, so you have to **look carefully to find them**.

Head lice are found on the hair itself and move to the scalp to feed. They have six legs which end in a claw and they rarely fall from the head. Louse eggs (also called nits) are laid within 1.5 cm of the scalp and are firmly attached to the hair. They resemble dandruff, but can't be brushed off.

Lice can crawl and hide. The easiest and most effective way to find them is to follow these steps:

- Step 1** Comb any type of hair conditioner on to dry, brushed (detangled) hair. This stuns the lice and makes it difficult for them to grip the hair or crawl around.
- Step 2** Now comb sections of the hair with a fine tooth, head lice comb.
- Step 3** Wipe the conditioner from the comb onto a paper towel or tissue.
- Step 4** Look on the tissue and on the comb for lice and eggs.
- Step 5** Repeat the combing for every part of the head at least four or five times.

If lice or eggs are found, the hair should be treated.

If the person has been treated recently and you only find empty hatched eggs, you may not have to treat, as the empty eggs could be from a previous episode.

Treating head lice

Treating head lice involves removing lice and eggs from the hair. There are two ways you can do this:

1. Buying and using a head lice lotion or shampoo, following the instructions on the product
2. Using the conditioner and comb method (described under 'finding head lice') every second day until there have been no live lice found for ten days.

If you choose to use a head lice product always read and follow the instructions provided with the product carefully. The following points may also be helpful:

- Head lice products must be applied to all parts of the hair and scalp.
- No treatment kills all of the eggs so treatment must involve two applications, seven days apart. The first treatment kills all lice; the second treatment kills the lice that may have hatched from eggs not killed by the first treatment.
- Cover the person's eyes while the treatment is being applied. A towel is a good way to do this.
- If you are using a lotion, apply the product to dry hair.
- If you are using a shampoo, wet the hair, but use the least amount of water possible.
- Apply the treatment near the scalp, using an ordinary comb to cover the hair from root to tip. Repeat this several times until all the hair is covered.

There is no need to treat the whole family - unless they also have head lice.

Concentrate on the head - there is no need to clean the house or the classroom.

Only the pillowcase requires washing - either wash it in hot water (at least 60°C) or dry it using a clothes dryer on the hot or warm setting.

Testing resistance

Head lice products belong in one of the following categories depending on the active compound they contain:

- pyrethrins
- synthetic pyrethroids (permethrin, bioallethrin)
- organophosphates (maldison or malathion)
- herbal with or without natural (non-chemical) pyrethrins.

Insecticide resistance is common, so you should test if lice are dead. If they are, treat again in seven days using the same product. If the lice are not dead, the treatment has not worked and the lice may be resistant to the product and all products containing the same active compound. Wash off the product and treat as soon as possible using a product containing a different active compound. If the insecticide has worked, the lice will be dead within 20 minutes.

Any head lice product could cause a reaction and should be used with care by women who are pregnant or breastfeeding, children less than 12 months old and people with allergies, asthma or open wounds on the scalp. If you are unsure, please check with your pharmacist or doctor.

Head lice combs

Combs with long, rounded stainless steel teeth positioned very close together have been shown to be the most effective, however, any head lice comb can be used.

Head lice eggs

Head lice eggs are small (the size of a pinhead) and oval. A live egg will 'pop' when squashed between fingernails.

Dead eggs have crumpled sides and hatched eggs look like tiny boiled eggs with their tops cut off.

Regulations

According to the Public Health and Wellbeing Regulations 2009, children with head lice can be readmitted to school or children's service centres after treatment has commenced.

The department recommends a child with head lice can be treated one evening and return to school or children's service centres the next day, even if there are still some eggs present. There is no need to miss school or child care because of head lice.

Preventing head lice

Check your child's head regularly with comb and conditioner. There is no research to prove that chemical or herbal therapies can prevent head lice.

Dear ArtSmart Students & Parents,

Already this term, students have been exploring unusual techniques made famous by artists of the New York based 'Experimental Workshop' in the 1930's. Students have been using tools other than the traditional brush to create wonderful effects. Using paint containing flow medium, we have observed the flow and intermix of paints poured in alternating layers, the effects of dragging and pulling string dipped in paint and created interesting patterns using paper rolls and 'splatter'...it's been messy but lots of fun!

This term, we will also explore the illusionary 'OpArt' of the 60's and create a group 'trick' mural in the playground.

Also, students will be painting their very own Van Gogh inspired self-portrait, on canvas! **So please ensure everyone brings along an enlarged black and white photo of their face to our next class.**

A warm welcome to **Natalie**, our ArtSmart assistant who will be helping the students in their lessons.

IMPORTANT- Parents must always sign off when picking up children after class. Children are not be permitted to leave the art room if parent/assigned person is not present.

After-School art lessons for juniors (Prep-Grade 2 from 3.40-5.00pm) and seniors (Grade 3-6 from 5.10-6.30pm), every Wednesday. Providing opportunities for children to express creativity and to teach concepts of art and art history, in fun and meaningful ways.

For enrolment details please call Lizzie at **ArtSmart_0478 430 874** or visit **artsmartkidz.com**
Students are most welcome to trial their first lesson for free!

LEGO EDUCATION PROGRAM

The new program has been designed in two parts:

- **Science and Technology:**
Students explore the world of powered mechanisms and simple machines.
- **Creativity and imagination:**
Students engage with LEGO® pieces to complete puzzles, games and challenges without instructions and become Master Builders!

The course is designed for all primary aged students with each student using an age appropriate LEGO® Education kit to complete his or her challenge.

As long serving primary school teachers we believe it is important to use the Australian Curriculum as a guideline to the program.

Key STEM Learning Values:

- **Physical Science:** The way objects move depends on a variety of factors including their size and shape: a push or a pull affects how an object moves or changes shape
- **Engineering Principles and systems:** Explore how technologies use forces to create movement in designed solutions
- **Materials and technologies specialisations:** Explore the characteristics and properties of materials and components that are used to create designed solutions

The 9-week course will begin in term 1, on Wednesday the 6th of February, afterschool, at a cost of \$150 per student. The course will be held at Tucker Rd Primary School.

MOUTHGUARDS

Have you got the right ONE?

A **mouthguard** is a protective device that covers the teeth and gums in order to prevent and reduce sports injuries such as broken jaws, fractured, cracked or knocked-out teeth, cut lips and tongues.

It works by absorbing and spreading the impact of the damaging blow. These sorts of injuries are often difficult to manage and often involve a lifetime of complex and expensive treatment; **baby teeth can also suffer dental trauma: this can be distressing for the whole family and often this may lead to further damage to adult teeth underneath.**

Mouthguards should be worn while playing contact sports at all ages to protect both baby teeth and adult teeth

There are two type of mouthguards

1. **CUSTOM MADE** (made by your dentist) and
2. **BOIL-AND-BITE** (over the counter)

What's the difference?

- ✓ **COST.** Yes, the custom-made ones are more expensive then the boil-and-bite ones.
- ✓ **ABILITY TO PREVENT DENTAL INJURIES**
 - **boil and bite mouthguards** do not protect the teeth, are loosely fitted, impede breathing and speaking, and can even wedge in the back of the throat at impact which could be life threatening.
 - **custom-fitted (mouthguards)** by your dentist is far superior to an over-the-counter mouthguard because it's specially designed to fit the exact contours of your mouth, is resilient, balances your bite and allows speech and normal breathing

Luckily at Be You Dental we can offer you a solution that would help you avoid high costs and also get a high-quality custom-made mouthguard

For only \$ 165 initial appointment, you will have

- ✓ a full exam, scale, clean,
- ✓ fluoridation
- ✓ x-rays) if needed)
- ✓ the custom-made mouthguard
- ✓ To add more you will receive a **FREE** mouthguard at your six-monthly check-up if there is a need to replace the old one

We dare you not to take up on this offer. Contact Be You Dental for more information, alternatively visit our website (www.beyoudental.com.au) to read the full article.

GOING HUTS

Our adventure through the jungle wouldn't be complete without some jungle friends. Today we'll each select from a range of different animals and build them a home to live.
