Welcome to Term 1 - week 6 2018

New DET Professional Practice Days for Teachers

In the Education State, we achieve excellence by consistently focusing on improving the achievements of learners across Victoria, whether it is through improving the quality of educational services or changing the way we teach. The most important thing we can do to improve student outcomes is to develop and improve the skills of our teachers.

The Victorian Government will continue to provide opportunities to develop professional, passionate teachers and principals and equip them with the right knowledge and skills to meet the needs of their students. To ensure we support the learning and development of not only our students, but our teachers too; we are committed to providing professional development opportunities for our teacher workforce.

During 2018, teachers will spend four days per year further developing their skills in areas that are aligned to the school priorities School Strategic Plan and Annual Implementation Plan. Students will directly benefit from these improvements in their daily learning.

The Professional Practice Days are part of the Victorian Government Schools Agreement (VSGA) 2017. Each full time teacher is entitled to one day per term (four days per year), to focus on the improved delivery of high quality teaching and learning. We know children sometimes find it challenging when their teacher is away from the classroom. Equally, it's important that teachers take the time to focus on improving their professional practice because their learning directly impacts on your child's learning experience. The learning program does not change on these days to ensure that the children's' education continues as usual. The class teacher provides this program so the replacement teacher continues with the school program as planned. We are scheduling the days ahead of time and have planned the day so that there is minimal impact. If you have any questions, please do not hesitate to contact me.

The Child Safe Standards:

The aim of the child safe standards is to drive continuous improvement so that protecting children from abuse is embedded in everyday thinking and practice of leaders, staff and volunteers. The focus of the standards for 2016 is on raising awareness and helping organisations to create and maintain child safe environments through education and training.

The Child Safe Standards have been introduced in response to the recommendations of the Victorian Parliamentary Inquiry into the Handling of Child Abuse by Religious and Other Non-Government Organisations, which found that more must be done to prevent and respond to child abuse. The standards apply to all organisations that provide services for children, including early childhood services.

Creating a child safe organisation

In complying with the child safe standards, schools must include the following principles as part of each standard:

- promoting the cultural safety of Aboriginal children
- promoting the cultural safety of children from culturally and/or linguistically diverse backgrounds

promoting the safety of children with a disability.

To create and maintain a child safe organisation, an early childhood service must have in place:

- Standard 1: Strategies to embed an organisational culture of child safety, including through effective leadership arrangements
- Standard 2: A child safe policy or statement of commitment to child safety
- Standard 3: A code of conduct that establishes clear expectations for appropriate behaviour with children
- Standard 4: Screening, supervision, training and other human resources practices that reduce the risk of child abuse by new and existing personnel
- Standard 5: Processes for responding to and reporting suspected child abuse
- Standard 6: Strategies to identify and reduce or remove risks of child abuse
- Standard 7: Strategies to promote the participation and empowerment of children.

The National Quality Framework already requires schools to meet many aspects of the child safe standards. Services are encouraged to review their policies, procedures and practices including their current child safe environment and staffing policies and procedures to ensure they meet the child safe standards.

The Department of Education and Training has also developed [Frequently Asked Questions \(FAQs\)](#) to assist services. Further information

[PROTECT - Early childhood guidance](#)

Further information on the standards, including a toolkit, is available on [Department of Health and Human Services](#) website.

At Tucker Road Bentleigh PS we have a commitment to Child Safe Standards Statement that is required to be signed by all staff and providers at the time of commencing work at our school. Along with a Working with Children Check. All parent/carer helpers who intend on assisting in classrooms or on excursions will be asked to sign this too.

National Day of Action to say- Bullying - No way!

Friday March 16 2018 is **National Day of Action** against Bullying and Violence which is aimed at bringing school communities together to help find workable solutions that address bullying and violence. Schools can stand united in their communities to say 'NO WAY' to Bullying and violence and to advocate that this behaviour is unacceptable - see the website for more information:

www.bullyingnoway.gov.au

At TRBPS we have signed up to the website as an official National Day of Action school to show that we are committed to highlighting the importance that all students have the right to feel safe and to feel respected as well as to empower our students and others in the community, to speak up and say 'NO' to bullying or violence at schools or elsewhere in the community. We intend to celebrate and communicate this message loudly at TRBPS

Teachers and children will be involved in activities that will endeavour to empower children to stand up to bullies, to understand how to be a caring peer and to say 'NO' to Bullying and violence as well as how to say 'NO' to being a bystander. We want the children to know it is definitely best to tell someone and particularly an adult if this is happening to them or others. The information sheet for parents/carers will help you to know how to assist your child at home and help them feel confident to come forward to share any information about bullying or violence at school or elsewhere in the community!

Please read the information for parents/carers attached to the newsletter.

District Swimming Sports

TRBPS students participated in the District Swimming competition on Tuesday afternoon at Carnegie pool. It was wonderful to go and watch for a while and to speak with the children and see their smiling faces of pure joy as they proudly delivered their best effort for every swim race. The children won many ribbons; many first, second and third ribbons were proudly on display. The children could not stop smiling as they proudly supported each other and cheered for every child swimming. Their superlative effort was acknowledged when they won the overall swimming event shield this year.

I would like to thank all the children who participated in this event for their absolutely fabulous effort and the parents/carers who supported all of the students making sure they had drinks, food, hats, sunscreen and TLC. Thank you to Mr Taylor and Mrs Kushnir who supported the children and worked hard organising and assisting at this event. A great effort by all! We are very proud of all the students who trained and gave their best at the trials and the District swimming sports! Some children will now go on to represent the District and the Regional Swimming Sports. We wish them the all the very best at this next swimming event.

School Council Annual General Meeting (AGM)

The Annual General Meeting will be held on Tuesday 27th March at 6.30 pm, in the staffroom. The School Annual Report for 2017 will be presented. Following the AGM the first meeting of the new School Council for 2018 will be held.

When your child is absent from school.

When your child is absent from school The Education Department requires a written note advising why your child was away from school. This note needs to be given to the teacher when they return. Parents who ring the school still need to send written note with their child or if you are familiar with Compass you can record your child's absence directly on the APP.

Safety for children exiting classrooms after school

We ask that parents could keep the classroom doorways and ramp areas clear at pick up time so that the children can exit from their classrooms safely.

Parking of Cars in local streets

Reminder to please respect our neighbours when parking in local streets. Please do not park over driveways. Locals need access in and out of their homes.

School Photos Thursday 22nd March

School photos (individual/class groupings/family groups/school captains/house captains) will be taken on Thursday 22nd March commencing at 9.00am.

School uniform must be worn for all photographs. Photo forms will go home via the classroom next Thursday 15th March.

WORKING BEE

Our first community working bee will be held on Sunday 18th March. It will commence at 9.30 am and conclude at 2 pm. Your attendance at this working bee would be greatly appreciated. A flyer will go home closer to the day with a list of jobs to be completed. Many hands make light work and also saves the school a lot of money in maintenance. This money can then be re-directed to more important projects.

Dear parents and carers,

At our school we aim to create a safe and supportive school community for everyone.

Sometimes, it can be difficult for parents or carers to know what to do when their child talks to them about bullying.

You are an important part of our work to prevent bullying and to respond effectively if it happens. Stopping bullying involves everyone.

If your child talks to you about bullying:

1. **Listen** calmly and get the full story. Your calm response is important to allow your child to tell you all about the situation. After they've told you their story, ask questions to get more details if you need to: who, what, where, when. Although you may feel some strong emotions about your child's experience, try to keep calm to avoid more distress to your child.
2. **Reassure** your child they are not to blame. Many children blame themselves and this may make them feel even worse. You could say things like, 'That sounds really hard to deal with. No one should have to put up with that.' or 'I'm so glad you told me. You should be able to feel safe at school; that's not fair at all'.
3. **Ask** your child what they want to do and what they want you to do. A critical part of your response is to avoid jumping in to solve the problem. While it is natural to want to protect your child, helping them to find their own solution is a better option. It helps them feel they have some power in the situation.
4. **Visit** www.bullyingnoway.gov.au to find some strategies. The website has tips and ideas for different bullying situations. One idea is to practise strategies at home to help your child feel more confident.
5. **Contact** the school. Your child may be reluctant for you to do this, so discuss the idea and reassure them that the school would want to know and is able to help. Make an appointment to meet with your child's teacher and, if you need to, ask to talk with the principal. Contact the school immediately if you have a concern about your child's safety.
6. **Check in regularly** with your child. Keep the conversation going. It can take time to resolve issues, so check in regularly with your child about their experiences and their feelings. Your ongoing support is important.

If your child talks to you about bullying:

1. **Listen** calmly and get the full story.
2. **Reassure** your child that they are not to blame.
3. **Ask** your child what they want to do about it and how you can help.
4. **Visit** www.bullyingnoway.gov.au to find some strategies.
5. **Contact** the school.
6. **Check in** regularly with your child.

If you are looking for support for yourself to deal with a bullying situation, you will find ideas on the Bullying. No Way! Website for parents. As well, please contact the school if you would like to discuss any aspect of our approach to preventing bullying.

On our school website you can find our 'Student Engagement and Wellbeing Policy' which outlines all of our philosophy, approaches and activities around Student Wellbeing, Student Engagement and Student Behaviour Management plus our TRBPS values and codes of conduct for everyone who is part of our school community.

Thank you for your support to make Tucker Road Bentleigh Primary School a great school for everyone to enjoy!

Kind Regards,

Mrs Robyn Farnell
TRBPS – Principal

Jamie Oliver School's Program Trial

Tucker Road Bentleigh Primary School's Grade 2 students participated in the trialling of the Jamie Oliver's Learn Your Fruit and Veg program. This is a new and exciting hand-on food education program for primary schools to bring food knowledge and cooking skills to life. Classes focussed on one fruit or vegetable per lesson and students were taught: how that ingredient was grown, how it's eaten and some fun facts. They then completed a no-heat recipe utilising the hero ingredient.

Students were taught important and real-life cooking skills such as safe knife handling and cutting techniques. During the program we bought a set of student safety knives that will also be used in the kitchen garden program at TRBPS.

Students were encouraged to try new varieties of fruit and vegetables e.g. tomatoes, bananas. Did you know there are over 1000 varieties of tomatoes? Students were excited to try these new foods and skills and looked forward to our weekly sessions which ran over a 3 week period. All students were given a set of recipes at the end of each session to try out at home.

Special thanks to Kate Wengier (a TRBPS mother) for bringing this opportunity to our attention and helping our school register to trial this program and provide feedback.

Grade 2 teachers & Kim Aitken [Cooking and Gardening Coordinator]

Dear Parents,

Meet Niki Pantelios.

Niki is in Gr 2, and has decided that she would like to do something really special for other people. She wants to raise money to help fight Leukaemia.

In order to raise money, she is going to cut off her luscious long locks at the final assembly of Term 1, in front of the whole school. Niki has been growing her hair since she was a baby, with only the occasional trim each year, but has decided that she would like to donate her hair to charity, after seeing a video of a young girl receiving a wig made of donated hair, and the joy it bought to that young girl's face.

If you would like to support Niki by making a donation, there are several things you can do:

1. Donation Box at office- there will be a donation box at the Office for the remainder of the term. Students and/or parents can make cash/coin donations directly into the box at any time over the next few weeks.
2. Online donation - Niki has a donation fund page, which is directly linked to the Leukaemia Foundation. You can make a donation to her online page by following this direct link: <http://my.leukaemiafoundation.org.au/nikipantelios>

All money raised will go directly to the Leukaemia Foundation via The World's Greatest Shave donations page.

Niki will have her hair cut at the final assembly of Term 1 - Thursday 29th. Her hair will then be donated to a different charity - 'Wigs for Kids'.

Every little bit helps - so please come along to the final assembly to support Niki's selfless act and make a donation along the way.

Camps, Sports and Excursions Fund

The Camps, Sports and Excursions Fund helps ensure that no student misses out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's background and their achievements.

CSEF will be provided to eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:

- \$125 for primary school students
- \$225 for secondary school students

How to Apply

Contact the school office to obtain a CSEF application form or download from the CSEF website

Key Dates

All applicants must complete and lodge their submission by 29th June 2018

A Message for All Tucker Road Bentleigh Primary School Volunteers

ALL members of the community acting in a voluntary capacity during school operations in any way will require a Volunteer Working with Children Check.

Regardless of the role, any parent wanting assist at school MUST have acquired a Volunteer Working with Children Check (WCC) and had a copy of your WWC card taken by the school office.

We also require that all adults working with children while on the premises of Tucker Road Bentleigh Primary School must read, sign, acknowledge and act in accordance with the following Child Safe Standards Code of Conduct which is available from the general office. Only adults who have signed all sections will be able to participate in child centre activities.

Members of the community who have a current Victorian Institute of Teaching registration can use this as it has a police check component.

Why learn a language with the VSL?

The Victorian School of Languages has been offering effective language programs since 1935. VSL students consistently achieve top VCE scores and Premier's Awards for VCE accredited languages.

The VSL seeks to employ teachers with professional qualifications, experience and the capacity to make learning a language an engaging, meaningful pursuit.

In recognition of the importance of languages, Victorian students receive a bonus towards their Australian Tertiary Admission Rank (ATAR) score for successful study of a VCE accredited language.

The VSL is the largest single provider of languages other than English in Victoria, offering more than 40 languages in over 40 centres across the State. Students from all government, Catholic and independent schools in Years 1 to 12 are eligible to study languages with the VSL.

What does it cost?

Year 1-10 classes \$75 a year
Year 11-12 (VCE) \$90 a year
Adults (VCE) \$220 a year

*Prices correct at the time of printing and subject to change

Tips for easing kids into Outside School Hours Care

Attending Outside School Hours Care for the first time can be an overwhelming experience for children, particularly if they are also settling into the new school year.

To help your child feel comfortable in the program, we thought we'd share a few tips to help make the transition as seamless as possible.

1. We welcome you to drop by and visit us in program. You'll meet the team and find out what kinds of activities your child can look forward to in session.
2. If your child is nervous about attending the program for the first time, let the Camp Australia Team know. We want to help ensure your child feels as comfortable as possible.
3. If there is something in particular your child would like to see, play, or do in Outside School Hours Care, we welcome you or your child to let us know.

Program details

We're here to make Outside School Hours Care the best experience possible for your child.

We look forward to seeing you and your family soon.

From the Team at Camp Australia Team.

BOOKINGS OPEN FOR

HOLIDAY FUN

Something for every child. You choose.

Build A Bird House

We'll have a hoot building our very own bird mobiles, feeders or houses.

Plate Creations

We're opening our minds and getting creative by painting our own magnificent mindfulness plates!

Design Your Team Jersey

Design and decorate your own sports jersey to wear for any sporting occasion.

Off To The Movies

Gnomes have been disappearing from the garden and there's only one gnome who can track them down - Sherlock Gnomes.

Your Team Sport Day

Are you ready for a day full of exciting games that put your skills to the test? We are!
