## **Newsletter Term 4 Week 1**

### **Welcome back to Term 4**

### **Building Update**

We have received some of the reports from the building contractor re the Admin/Prep Block issues. Indications show so far it appears that the issue is with the evaporative air cooling units, which will need extensive works done within the building. Therefore we advise that the Preps will remain in their current rooms until the issue is resolved. Mould testing was done throughout the building, all indication shows all areas tested, where well within safe levels. We will continue to provide updates to the school community by newsletter.

## **GREEN TEAM NEWS**

### **WE NEED YOUR HELP!**

Hi everyone

This term the Green Team are taking part in a fantastic Glen Eira Council sustainability initiative called 'Keeping Our Oceans Plastic Free'. The Green Team have been asked to create a **large bottle-cap ocean mural**. The mural will represent the sea and its inhabitants, promoting the cause of keeping our rubbish out of the world's oceans.

The boards will be linked together with other school's murals from around the Glen Eira area to make a great visual display and will be exhibited at Party in the Parks, an event taking place at the beginning

Of next year, details of the event will be released shortly.

**We need your help!** We are asking for any donations of plastic bottle caps, or any other small unwanted plastic items to be brought to school and put in the blue plastic tub, located in the office area. So please don't discard your bottle caps, send them to school! Thank you for your support.

The Green Team
