Leaving TRBPS

Next Tuesday we farewell many of our year six families who have their last child leaving primary school this year and we wish them the very best for a wonderful start at Secondary College, as their next stage of their schooling. Thank you to all of our departing families for your significant contributions over the last seven years. It is with sadness that we say goodbye but we know that a new exciting phase in your child's life is just beginning in 2017!

Congratulations to all of Graduating Year 6 Students for 2016!

Transition Program at TRBPS and 'Moving on Up' afternoon

The students have enjoyed a taste of 2017 over the past couple of weeks as part of the school transition program, and on Wednesday they had a chance to 'meet and greet' the teacher for next year as part of our 'Moving on Up' event. The children spent time hearing all about the next year level expectations and asking questions about how things work. Our departing Year 6 students attended their local Secondary College last week as part of the Victorian State School's Year 6-7 Orientation Program (December 6). The children are all very excited as the end of the year fast approaches; they have enjoyed the transition program and meeting their teacher for 2017. We still have one classroom teacher position to fill and this process will be completed ready for the teacher to begin the 2017 school year.

PFA Luncheon

We look forward to attending a beautiful luncheon tomorrow prepared by parents to say thank you to all of the staff. It will be a nice time to relax and chat together and a time for the community to say farewell to some of the teaching staff: Mr James Ireson (Fixed-term, one year position at Chelsea Heights PS), Mr James Borghero (one year of study leave), Mr Simon Brown (Hughesdale PS), Ms Kelly Coyle (Lysterfield PS) and Mrs Cathy Lawrence. A special thank you is extended to Mrs Alexis Martin and the PFA team for setting up the hall. A very special thank you to all of the families who have made such wonderful food for us to enjoy, it was very greatly appreciated by all staff. The staff will be lucky enough to enjoy some wonderful donated raffle gifts. Thank you to our parent community and local businesses for their kind thoughts and donations.

The Year 6 Graduation Ceremony

The formal Graduation Ceremony will take place this year at Coatesville Primary School (Mackie Road, Bentleigh) on Thursday December 15 from 6.30 – 8.30pm approximately. The students will receive their Graduation Certificates from Mr Moore and a gift from the PFA on the night. The students are currently finalising their speeches which include highlights and treasured memories of primary school. They will also perform their graduation song. Mr John Moore will attend the formal graduation ceremony on behalf of SC (for the last time as SC President) to speak to the exiting students and wish them all the best for their future schooling.

The fun dinner and disco will take place next Monday evening December 19 in the SOL centre and hall. Students are to arrive at around 6.15pm, ready to enjoy dinner at 6.30pm.

Prep News

Way back in April, the Preps celebrated the letter P with a Pyjama Day. We asked for a gold coin donation and decided this was to be saved until the end of the year. We collected \$116.50 and with teacher donations too, the Preps decided to purchase; a community school class, as well as 2 chickens, and a vegetable garden from the charity, Tear Australia. The Preps understood that while their holidays will be of gifts and good food and clean water. Not all children are as lucky. They were very excited that less fortunate children can benefit from their special day.

Thank You Morning Tea for the Community Helpers

The 'Thank You Morning Tea' for all community volunteers and parent helpers (including the PFA members) took place today in the hall. I wish to thank staff in advance ensuring our school community members know how much we value their partnership in learning. Their collective efforts of assistance ensure that TRBPS is the best it can be for all of our students. This help is vital to keep our programs operating effectively, especially in relation to all of our excursions and sporting events.

ANNOUNCEMENT!

It is with great excitement that I can announce that, following a unanimous vote at our last general meeting, we are integrating the FACES social calendar into the PFA. This offers us many opportunities to streamline our fundraising capabilities to our community and to make these efforts more efficient. It also brings us in line with other school parent/community structures.

Next year will be an exciting year of change to better reflect and assist our school community. 2017 will see a number of PFA Sub Committees form to better service our community. These will allow for "Out Of Business hour" opportunities and skills to be better utilized. For example (not limited to) there will be the following PFA Sub Committees:

1. Fundraising Committee
2. Social Committee
3. Community Committee
4. Stall Committee

These will be refined at our first meeting of the year, February 6th. So, please have a good think! This will break down our calendar of events into smaller focus groups. Along with our Executive Committee, we have exciting times ahead.

The **BEGINNER ABC MUSIC PROGRAM** is a perfect introduction to music for kids of any age. This fun and stimulating program provides students with the opportunity to try a variety of instruments over 2 terms and also incorporates lots of fun musical games and activities.

If you would like to find out more about the program, please feel free to call Cath Dowling or head over to our website where online enrolment is a very simple process <http://kidsonkey.com.au/>.

"My two boys have taken part in the Beginner ABC program over different years and it has provided them both with an excellent introduction to music. It was a great mix of fun, learning of basic music concepts and experimenting with different instruments. It fostered a real enjoyment of music in both of my boys and inspired them to choose their favourite instrument and continue with their musical learning. The program was very well organised and administered by Cath Dowling and both teachers were very encouraging and nurturing".
Naomi Waters (Parent St Louis)
