

THE ROAD TO SUCCESS

Number: 8

Date: 30th May 2019

Newsletter Term 2 Week 6 - 30th May

National Reconciliation Week

This week is National Reconciliation Week and Tucker Road Bentleigh PS acknowledged this with a special assembly held on Monday. Our school leaders Ava, Angad, Ellie and Rebekah provided students and teachers with

some history and information about National Reconciliation Week which they sourced from the 'National Reconciliation Week' website <https://www.reconciliation.org.au/national-reconciliation-week/>.

Below are some important points they spoke about to the school:

- The dates for National Reconciliation Week remain the same each year: 27 May to 3 June. These dates commemorate two significant milestones in the reconciliation journey—the successful 1967 referendum, and the High Court Mabo decision respectively.
- This year's theme is 'Grounded in Truth – Walk Together With Courage'. At the heart of reconciliation is the relationship between the broader Australian community and Aboriginal and Torres Strait Islander peoples. To foster positive race relations, our relationship must be grounded in a foundation of truth.
- Reconciliation must live in the hearts, minds and actions of all Australians as we move forward, creating a nation strengthened by respectful relationships between the wider Australian community, and Aboriginal and Torres Strait Islander peoples.
- Whether you're engaging in challenging conversations or unlearning and relearning what you know, this journey requires all of us to walk together with courage. This National Reconciliation Week, we invite Australians from all backgrounds to contribute to our national movement towards a unified future.

Monday 21st October - Thursday 31st October
(Years 1 & 2)

Mathematics Open Evening Success

Thank you to parents and friends of TRBPS students who came along to our open evening last Wednesday. The night provided an opportunity for students to showcase the way in which they learn Mathematics skills. As you can see from the pictures our families enjoyed participating together.

Thank you also to the teachers for their preparation which ensured the evening ran smoothly. It was also a great

opportunity for parents to see what happens in our Art, Italian and Music rooms too. Overall the night was thoroughly enjoyed by everyone who came along.

Interrelate's 'Say No to Bullying' Poster Competition

Congratulations to Year 5 students Janessa Ng and Leila Zamani who have been selected as two of 40 finalists for Australian primary schools across the country. Both students have been invited to attend a ceremony at Government House in Sydney, hosted by Her Excellency The Hon Justice Margaret Beazley AO in her new role as Governor of NSW. The winners will be announced on the day and we wish them all the best for this coming announcement.

"I was inspired to create a poster that promoted the message of speaking out. Through my design, I wanted to help people know who they can speak to and to also promote positive behaviour. I think it is really important to always tell someone if you are being bullied. If you don't it can get worse and possibly out of hand. I feel really proud of being selected as a finalist and am excited to see if either Janessa or myself are chosen as the winners. I really hope my poster encourages people to speak out."

Leila Zamani

"I decided to draw a girl crying because when someone gets bullied they cry. I wrote the words around her because when you are bullied you are being targeted and the words are like the bullies surrounding her. The kind words represent those people who are kind and support the girl. I am really excited about going up to Sydney and representing my school."

Janessa Ng

Working Bee Thank you!

Thank you to all the families who attended the Working Bee on Sunday 19th May. The group in attendance focused on grass, tree branches, sweeping and weeding. They also made good progress on the garden bed near the SOL centre, however, there is more to do in this area. A special thank you to Darius Culvenor for coordinating the Working Bee and to the following families who also came along to help:

Deb and Lachy Wilson

David Jorgenson

Moshe, Riki and Maoz Segal

Andrew, Elizabeth and Georgina Runtu

Nerissa, Craig, Maya and Jake Parker

Sarah Ransome

Janet, Ryan and Jared Fletcher

Bronwyn Dunse and Darius Culvenor

We are very grateful for your efforts and for taking time out of your weekends to help maintain our school's gardens and grounds.

Winter Illness – A message from our school Nurse Lisa Bell in First Aid

Winter is upon us and with it brings colds, flus and other illnesses. A reminder to all parents and guardians, students should not attend school while they are unwell. As we aim to build resilience with all our students, we want them to learn to deal with minor illnesses. However, as a school we have the responsibility to care for all students by trying to prevent outbreaks of any contagious illnesses. In doing this we need students to stay at home if the following occurs:

- Your child has had vomiting or diarrhoea. They must stay home from school for a full 24 hours from the last episode.
- You have had to administer Panadol or Nurofen to your child in the morning before school. If this is the case your child is not fit for school and should stay home to rest.
- Your child has a persistent, hard cough. Coughing not only spreads the germs through droplets in the air, but can also disrupt other students in the classroom from learning.
- Your child has a temperature. 24 hours needs to have passed once the temperature is back to normal before returning to school.
- Your child contracts any other contagious disease or illness such as conjunctivitis, hand, foot & mouth or chicken pox. Please get your doctor's approval before attending again.

Please take the time to discuss personal hygiene with your child. A reminder to cover their mouth and nose when they cough or sneeze, dispose of any tissues in the bin and wash their hands properly. Thank you for supporting these procedures and helping to contain illnesses within our school community.

Technology In Action at TRBPS

On Tuesday 28th May 2N, 4K and 5/6 F participated in a WebEX session with author Tristan Bancks. He has won YABBA awards for his fiction books Two Wolves and The Fall. He spoke of the writing process he uses when crafting his novels and the things that inspire him.

Tristan mentioned how scary dentists, having a fire drill at school and things he saw on the news have led to the creation of some of his stories. He also talked about how his professional acting experiences have influenced his writing too, having appeared on 'Home and Away' as a child. Tristan told lots of funny stories and even introduced the audience to his adorable, fluffy pet dog Bear.

Students from Tucker Road Bentleigh PS were able to ask him questions too. The photo below is of Leo asking Tristan how old he was when he first started writing. Tristan said that when he was in Year 4 his teacher made his class write for 5 minutes non-stop every day about anything that was in their heads. This process is something he continues to do today. The session was informative and thoroughly enjoyed by all classes who attended.

Students nominated for the **TRBPS Values Award** for the 27th May 2019

Grace Shone	Noa Cohen
Sandra Grigo	Zac White
Remi Lindsay	Noura Zamani

Camps, Sports and Excursions Fund

The Camps, Sports and Excursions Fund helps ensure that no student misses out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's background and their achievements.

CSEF will be provided to eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:

- \$125 for primary school students
- \$225 for secondary school students

How to Apply

Contact the school office to obtain a CSEF application form or download from the CSEF website

Key Dates

All applicants must complete and lodge their submission by 28th June 2019

Link to parent information and eligibility categories etc:

EARN & LEARN IS BACK

**It's easy to Earn & Learn all you have to do is just get everyone you can earning as many stickers as possible
Between 1 May and 25 June 2019.**

Stick them on the sticker sheets and return them to the box in Woolworths with Tucker Road Bentleigh Primary or to the box in the school office.

Earn & Learn has helped us receive brand new school equipment, across every possible category including ICT, science, sports, mathematics, arts and crafts and more.

Parents and Friends Association Update

It's been another great fortnight for the PFA. Our election day BBQ was a huge success. Thank you to Michelle Symes for getting it organised and running the day super smoothly. The day generated close to \$1000 profit and was really appreciated by the local voters.

The Fundraising night planning is well under way. We've locked in Bogan Bingo to entertain us on 3rd August. Our "donations queen" Carolyn Barton, with the help of Britt, Jacqui, Sasha and Briony, have sourced some AMAZING donations that we know will be hotly contested on the night. They've worked really hard over the last month- well done girls and thank you very much! It's never too early to start getting your table organised too- get chatting in the playground.

Just a reminder that the uniform shop is now open monthly. Pop in this coming Tuesday 4th June or fill in the order form and Yuz or Briony will fill your order asap. Big thanks to Yuz and Briony for their tireless work in the uniform shop. You guys do an amazing job!

So, what's up next in term?

Walkathon- Date TBC. Watch out for a compass alert

Special Friends morning tea for Grade 2's- Friday 21st June

Family movie day (Secret life of pets 2)- Sunday 30th June @ time to TBC

Cadbury Chocolate fundraiser- Starting 25th June

The Cadbury chocolate fundraiser is one of the most successful on the PFA calendar. You should have received a form outlining how the fundraiser will work and what you can do to support it. Chocolate not your thing? We get it, but please consider making a contribution to the school instead.

Don't forget to buy your copy of the entertainment book. Hard copy and electronic copies are available.

PFA members please keep an eye out for communication asking for volunteers for Grandparents Day/Special friends' day. We'll be asking for extra help from Grade 3 parents as part of our "Pay it back" initiative.

The above mentioned events won't be able to take place without a "hand on" approach by us parents. We will do call outs for volunteers closer to the date of each event. We will use email, compass and the Facebook pages and class reps to ask for help. Some assistance will be needed on site and some behind the scenes. Please email either Liz (elizabethdimopoulos@gmail.com) or Briony (bloimaranta@gmail.com) or respond when you see a call out!

Liz and the PFA team x

Dr Justin Coulson Presents- 9 Ways to a Resilient Child.

"How can I help my child be more resilient?" is a question Dr Justin Coulson, one of Australia's leading parenting experts, hears regularly from worried mums and dads.

Based on his book, 9 Ways to a Resilient Child, this presentation gives parents practical strategies to help their children cope with the challenges that life throws at them – from friendship problems and bullying to losing a game or failing an exam. Even our home environment and the way that we parent can impact our children's potential to recover from difficulty.

PRESENTATION PARTICIPANTS WILL:

- Find out what raises – and what reduces – resilience, such as why common advice like "toughen up princess" doesn't work.
- Learn the psychological secrets that will build your child's capacity to bounce back, stronger and more resilient than ever, including the ability to think flexibly, exercise self-control, and make safe and healthy choices.
- Discover the powerful impact of family, relationships, school and community, on resilience.
- Unpack the most effective, evidence-based ways to support your child develop greater resilience.

WHO IT'S FOR?

Every parent or caregiver, as well as teachers, grandparents, and anyone who looks after children.

When: Thursday 13th June 2019

Time: 7pm- 9pm

Where: The Auditorium, Glen Eira City Council, Corner Glen Eira and Hawthorn Roads, Caulfield

Cost: \$25.00

Bookings at: https://9_ways_to_a_resilient_child.eventbrite.com.au

Dr Justin Coulson is one of very few people in Australia with a PhD in Positive Psychology - and the ONLY person in the country (and almost the world) whose PhD includes a careful look at the intersection of Positive Psychology and relationships, particularly in family life.

One of Australia's most respected and popular corporate and education keynote speakers, facilitators, authors, and researchers, he has spoken to and worked with tens of thousands of people aiming to improve relationships, meaning, and wellbeing in leadership, education and especially in family life.

Presented by:

50% DISCOUNT
on attendance fees for school students
aged 17 years and under.

Your school has registered for this exclusive offer.
Details available at: www.cabrinia.com.au/eddiscount

Why choose Cabrinia Emergency Department (ED)?

- Be seen quickly:** Cabrinia ED is open 24 hours a day, 7 days a week.
- Real time waits:** to check current ED waiting time in a click, www.cabrinia.com.au
- Specialist paediatric care:** Cabrinia ED is a specialist team, supported by modern imaging and treatment services for kids.
- Personalised call back service:** calls offered to every patient within 48 hours' of discharge.

* The 50% discount offer applies to the attendance fee only, and does not apply to any further out of pocket expenses such as hospital admission, X-rays or pathology (blood tests).
Cabrinia is a private, Catholic, not-for-profit healthcare service that does not rely on funding from government or the Catholic Church. Therefore, Cabrinia must charge fees for emergency medical care. Unfortunately health Insurers do not cover emergency attendances, so Cabrinia relies on these fees to cover our costs.
Please be advised that private health care cover is required in the event that a student is admitted to hospital.

Cabrinia Emergency Department...
your private alternative!

WELCOME A SLICE OF THE WORLD INTO YOUR HOME!

MARLENE S
15 from Germany

Ever since I learnt about Australia, I have fallen in love with it! My older brother has been on exchange and my family has hosted, therefore I know how wonderful it is to create a 'second family' on the other side of the world!

EMMA D
17 from Italy

With an easygoing and sensible nature, I care about people around me and I stand up for my values. Although I can be a little bit shy at the start, I'm kind, cheerful and open up when I get to know someone better!

MARCELLO C
16 from Italy

I am bubbly, enthusiastic and always very happy! I aspire to become an actor. I participate in acting classes and I love singing and dancing. I can't wait to meet your amazing family and to make some Australian friends!

"If you're thinking about hosting, do it!
It's the most rewarding experience for your family.
Our daughter has a sister now, someone to talk to other than mum or dad."
Nicole, three-time host mum.

LEGO EDUCATION PROGRAM

The new program has been designed in two parts:

- Science and Technology:** Students explore the world of powered mechanisms and simple machines.
- Creativity and imagination:** Students engage with LEGO® pieces to complete puzzles, games and challenges without instructions and become Master Builders!

The course is designed for all primary aged students with each student using an age appropriate LEGO® Education kit to complete his or her challenge.

As long serving primary school teachers we believe it is important to use the Australian Curriculum as a guideline to the program.

Key STEM Learning Values:

- Physical Science:** The way objects move depends on a variety of factors including their size and shape. a push or a pull affects how an object moves or changes shape
- Engineering Principles and systems:** Explore how technologies use forces to create movement in designed solutions
- Materials and technologies specialisations:** Explore the characteristics and properties of materials and components that are used to create designed solutions

The 10-week course will begin in term 2, on Wednesday the 24th of April, afterschool, at a cost of \$165 per student. The course will be held at Tucker Rd Primary School.
