YEAR 2 PARENT/CARER PAYMENT ARRANGEMENTS 2023

18 November 2022

Dear parents, carers, and guardians

Tucker Road Bentleigh Primary School is looking forward to another great year of teaching and learning and would like to advise you of TRBPS's voluntary financial contribution arrangements for 2023.

Tucker Road Bentleigh Primary School provide free instruction and is funded by the Department of Education, via the Student Resource Package for standard instruction in the Victorian Curriculum. Every effort is made to keep the cost of the contributions to a minimum. We want to assure you that all contributions are voluntary.

Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students.

We want to thank you for all you support, whether that is through fundraising, contributions or volunteering your time. This has made a huge difference to our school and the programs that we can offer.

Within our school this support has allowed us to offer a wide range of subjects and special curriculum experiences: enhanced digital learning opportunities and equipment, faster WIFI and internet, a local school-based digital technologies technician, purchasing and maintenance of air conditioning units, a Kitchen Garden Program, purchasing of extra resources for Physical Education and Sport, the Music room and Library, as well as providing a First Aid Officer.

For further information on the Department's Parent Payments Policy please see the one-page overview attached.

If you have any questions regarding the parent/carer payments, please contact the office.

Yours sincerely,

Robyn Farnell

Principal

Linda Threadgold
